BUSINESS

Amazon to Retrain a Third of Its U.S. Workforce

As technology reshapes roles, the online retailer plans to train 100,000 workers in new skills, from machine learning to nursing

A worker at a distribution station at the 855,000-square-foot Amazon fulfillment center in Staten Island, N.Y. PHOTO: JOHANNES EISELE/AGENCE FRANCE-PRESSE/GETTY IMAGES

Introducing Healthcare's Trusted Community:

The Crowe Hive Network

Being successful in your role today looks different than it did even a few years ago. **Engage with a network of those who have been there before you:**

- Ask and answer community questions
- Seek validation and gain support through crowdsourcing
- Connect with peers and Crowe specialists
- Earn rewards for your engagement and shop the Hive store

Simplify your busy workday. Register today to continue the Healthcare Summit conversations: **crowehive.com.**
