

# Microsoft Dynamics® AX empowered with Crowe Financial Accelerator

Crowe Financial Accelerator can help companies enhance enterprisewide transparency, improve financial and operational efficiency, and drive revenue growth and cost savings.

## More efficient centralization of shared services

- Sales quotation and order entry, customer and contract management
- Invoicing, credit management, and cash management
- Purchase orders or requisitions, vendor contract management and performance monitoring

## Streamlined enterprise financial operations

- Closing task management system
- Manufacturing work-in-process visibility and reconciliation
- Intercompany and intracompany visibility to closing tasks, accrual data, and ledger periods
- Centralized ledger posting and financial dimension configurations
