

Healthcare Service Providers

# Crowe Transaction Services

Crowe has provided more than \$30 billion worth of successful transaction services for many well-known global companies, private equity firms, and lenders. We offer deep specialization and robust resources to assist with execution at any point in the M&A transaction value chain... or end to end support throughout the cycle.

## Our Healthcare Expertise is Deep

The unique healthcare expertise that Crowe offers private equity clients is valuable. As one of the largest healthcare management consulting firms in the country, we provide data-driven, precise solutions and services designed to accelerate the performance and to support the financial integrity of healthcare organizations.

- Our 500-plus dedicated healthcare professionals assist more than 3,000 healthcare entities across the country.
- We are deeply specialized in services for healthcare entities and 98% of our healthcare clients would do business with us again and recommend us to a colleague.
- In addition to audit, tax, and private equity services, we offer healthcare organizations a full range of finance, reimbursement, revenue cycle, and risk and compliance services.
- Our net revenue solutions, available through Crowe Revenue Cycle Analytics (Crowe RCA) services, assist more than 700 hospitals.
- Our commitment to technology has led to three patented healthcare software solutions.
- We provide services to the five largest not-for-profit healthcare systems in the United States.
