The Crowe advisory services team is dedicated to providing an exceptional client experience. We recently asked our clients nine simple – but very important – questions about our performance. We’re proud that our clients have given us overwhelmingly positive feedback. The infographic below shows the percentage of clients that said they agree or strongly agree with each statement about Crowe*.

**How would you rate your outside consultants?
If you’ve received anything less than outstanding service,
maybe it’s time to consider Crowe.**

About Crowe

“Crowe” is the brand name under which the member firms of Crowe Global operate and provide professional services, and those firms together form the Crowe Global network of independent audit, tax, and consulting firms. Crowe may be used to refer to individual firms, to several such firms, or to all firms within the Crowe Global network. The Crowe Horwath Global Risk Consulting entities, Crowe Healthcare Risk Consulting LLC, and our affiliate in Grand Cayman are subsidiaries of Crowe LLP. Crowe LLP is an Indiana limited liability partnership and the U.S member firm of Crowe Global. Services to clients are provided by the individual member firms of Crowe Global, but Crowe Global itself is a Swiss entity that does not provide services to clients. Each member firm is a separate legal entity responsible only for its own acts and omissions and not those of any other Crowe Global network firm or other party. Visit www.crowe.com/disclosure for more information about Crowe LLP, its subsidiaries, and Crowe Global.
