

# Custom-Fit Solutions for Net Revenue and Reimbursement

## Crowe Net Revenue and Reimbursement Assistance

If you're trying to better understand, unite, and improve your organization's net revenue reporting and reimbursement functions, Crowe can help.

Crowe healthcare services offer customized solutions, patented tools, and experienced staff to help your organization bridge the gap between finance and operations to improve net revenue results. We can help you better understand and explain the interplay among the finance valuation of net receivables, patient accounting processes, operations, and provide your organization with actionable data. Because each hospital is unique, our proven services and tools are customized to meet your organization's specific needs for:

- Net revenue accounting and reporting
- Operational finance and revenue analysis
- Reimbursement solutions
- Other finance functions and support on special projects

Crowe has extensive experience in working with hundreds of hospitals and health systems and thousands of clinics and ancillary service providers across the U.S. Our staff members are skilled in managing and executing projects in healthcare finance and reimbursement.

We can work with you to develop solutions that fit your organization's specific needs, including month-end process improvement, experienced staff assignments, advanced technology solutions, modeling and planning, policy and procedure guidance, customized training, and turnkey services.

Crowe healthcare services bring together deep industry knowledge and experience, functional expertise, and applied technology to offer unique solutions that address the critical issues facing healthcare organizations today.

## About Crowe

“Crowe” is the brand name under which the member firms of Crowe Global operate and provide professional services, and those firms together form the Crowe Global network of independent audit, tax, and consulting firms. Crowe may be used to refer to individual firms, to several such firms, or to all firms within the Crowe Global network. The Crowe Horwath Global Risk Consulting entities, Crowe Healthcare Risk Consulting LLC, and our affiliate in Grand Cayman are subsidiaries of Crowe LLP. Crowe LLP is an Indiana limited liability partnership and the U.S member firm of Crowe Global. Services to clients are provided by the individual member firms of Crowe Global, but Crowe Global itself is a Swiss entity that does not provide services to clients. Each member firm is a separate legal entity responsible only for its own acts and omissions and not those of any other Crowe Global network firm or other party. Visit [www.crowe.com/disclosure](http://www.crowe.com/disclosure) for more information about Crowe LLP, its subsidiaries, and Crowe Global.
