

Smart decisions. Lasting value.

Welcome

Our more than 41,000 of business experts, all share a commitment to delivering technical and client service excellence. With a vast global footprint, we are able to serve our clients' needs wherever they choose to do business.

All of this is bound together by our common brand and distinct set of values.

Thank you again for providing Crowe with the opportunity. We look forward to supporting your goals and being a trusted advisor to your growing business.

Regards,

David Mellor
CEO
Crowe Global

It does take time to become an expert in any field and we have put in over 40 years of our dedication to serve the region and deliver quality to our clientele. We are committed to maintaining our reputation for integrity and quality in the provision of audit, tax, advisory and risk services.

We believe our quintessence is not only about independence and professionalism, but also about providing quality and competitive services to the user. Simply stated, it is how we live our core values – care, share, invest and grow.

Regards,

Dr Khalid Maniar
Founder & Managing Partner
Crowe UAE
