Professional Summary

- Building relationships and providing exceptional, timely service is what Corey strives to achieve with all of his clients. By getting to know the individuals behind the business, Corey is able to provide personalized advice on various corporate and personal matters which his clients may face.
- His clients appreciate his commitment to delivering high quality client service and appreciate the patience he demonstrates in communicating complex issues in an understandable manner.
- Corey applies that same attentiveness and patience to his team at Crowe MacKay. He is very involved in the training and mentoring of articling students and in the student recruitment process.

Experience

- Corey focuses on providing assurance, tax, and advisory services to small business owners in numerous industries.
- He started his accounting career at Crowe MacKay LLP in 2011 as a university co-op student, and has experienced first-hand the commitment Crowe MacKay provides to their clients and staff.

Professional Affiliations

- Corey is a member of the Chartered Professional Accountants of British Columbia.

Education

- Corey obtained his Bachelor of Business Administration, with Distinction, from Simon Fraser University in 2013.
- He received his Chartered Professional Accountant (CPA) designation in 2016.

Community Involvement

- Corey is a registered CPA mentor with CPA BC. This involves providing guidance and feedback to future CPAs.
- He volunteers with the Starry Nights program at Simon Fraser University, which encourages children to get engaged with science, specifically astronomy.
