**Professional Summary**

- For owner-managed companies, it is critical to have someone who can provide accurate accounting advice at every stage of your venture—from start-up to succession planning. Cynthia understands how important the health of her clients' businesses are.
- She takes a personal interest in the well-being of her clients and is committed to helping them develop strategies that reduce operating costs and maximizes finances.
- Cynthia is patient, considerate, generous, and professional; qualities which give her clients peace of mind and confidence in her capabilities.

Experience

- Cynthia specializes in privately held companies and not for profit organizations, and has experience with a wide range of industries including wholesale distribution, professionals (doctors, lawyers, architects, musicians and actors), manufacturing, construction, book publishing, consulting, rental companies, investment companies, strata corporations, and professional associations.
- Her clients have ranged from small to medium-sized businesses with branches across Canada, from single companies to groups of companies with partnership and trusts, and companies with cross-border transactions.
- Her engagements have ranged from audits to review engagements to compilation; and from corporate, trust and personal tax returns compliance, to tax planning.

Professional Affiliations

- She is a member of Chartered Professional Accountants British Columbia.

Education

- Cynthia earned her Certified General Accountant designation in 1997.
