### **Professional Summary**

- Diana's clients know that she is there for them and her top priority is meeting tight filing deadlines. She places a high priority on client communication and ensuring each of her clients gets the personal attention they deserve.
- Diana's clients appreciate her commitment to completing audit engagements with minimal disruption, as well as her relaxed, professional disposition, which takes some of the frustration out of the audit process.
- She takes great pleasure in identifying complicated issues and in providing sound, technical solutions. In addition to her public company clients, Diana also serves clients in the private sector, including not for profit organizations.

### **Experience**

- Diana's practice is focused on public company auditing, including mining, oil and gas companies, as well as the high-tech industry. She is able to bring a vast amount of knowledge and expertise to industry-specific issues.
- Diana routinely assists lawyers and clients with initial public offerings, reverse takeovers, spinout transactions, prospectus offerings, and filings statements.

### **Education**

- Diana holds her Bachelor of Engineering as well as a Diploma of Financial Management.
- She obtained her Certified Public Accounting designation in Illinois in 2002 and her Certified General Accounting designation in 2004.
- In addition, she is a proud member of the ICABC public company Technical Forum

### **Community Involvement**

- Diana volunteers as the treasurer of Pandora's Collective Outreach Society, a Vancouver-based registered charity dedicated to promoting literacy and self-expression in the community for children, teens, adults, and individuals in need.

### **Service Focus:**

- Audit

### **Industry Focus:**

- Energy and Natural Resources
- Not for Profit
