Professional Summary

- Daniel joins Crowe MacKay LLP with an objective to take care of the complexity of accounting and the tax aspect of business for small business owners, so they can focus on their business operations.
- His client focus and caring, friendly attitude have been the driving force of his career growth.
- With over ten years of experience working with owner-managed businesses in a wide range of industries, Daniel provides professional services in a timely manner while ensuring his clients are satisfied.

Experience

- Daniel started his career as an accountant in a dental group and worked his way up over the years.
- He started public practice full time in 2011 and his main client base grew to be professionals and small business owners.
- Over the years, he has obtained extensive experience from various industries in the realm of small business
- Given that small business owners and professionals face time constraints, Daniel tries his best to help navigate finances and ease that burden.

Professional Affiliations

- Daniel is an active member of CPA groups through social media with an objective to build good relationships with colleagues, and keep current on recent updates within the industry.
- He is a member of the Charter Professional Accountants of British Columbia.

Education

- In 2010, Daniel received his Bachelor of Business Administration from Simon Fraser University, with a double concentration in Accounting and Management Information Systems.
- He obtained his Charter Professional Accountant (CPA) designation in 2014.
