Professional Summary

- Time and time again, Logan has been commended for the full-spectrum planning he provides both to businesses and to business owners, including succession planning, estate planning, cross-border services, and due diligence.
- He specializes in servicing owner/manager businesses and helping them navigate through technical issues and compliance requirements.
- He has clients in a number of sectors including software, aviation, real estate, restaurants, wholesale, manufacturing, and professionals.

Experience

- Logan entered public practice in 2003, and is committed to getting to know his clients beyond financial statements and tax returns, so he can provide concrete, practical solutions, that make sense for them and their long-term goals.
- He examines and analyzes his clients' finances to not only uncover the real financial health of their business, but to also help them adopt better practices and more efficient operations.

Professional Affiliations

- Logan is a member of the Chartered Professional Accountants of British Columbia.

Education

- In 2004, Logan graduated from the University of British Columbia's Accounting Co-op program with a Bachelor of Commerce.
- Following this, he obtained his Chartered Accountant (CA) designation in 2006.
