**Professional Summary**

- By combining expertise, experience, and enthusiasm Rachel ensures that each of her clients receives close, professional attention and that deadlines are met with minimal disruption.
- With high standards and an eye for detail, her primary goal is to provide astute advice that helps her clients make informed decisions.
- Rachel enjoys the challenge of identifying and resolving complicated issues related to financial reporting requirements and the research and discussion that stems from them.

Experience

- Rachel started at the firm in 2007 as a co-op student and joined the firm full time upon her graduation in 2008.
- While she focuses primarily on companies in the construction, information technology, retail sales, and wholesale distribution industries, Rachel also has a healthy practice serving not for profit organizations including charities and societies.
- She is knowledgeable in the area of accounting standards for private enterprises & accounting standards for not for profit organizations.
- Rachel serves her clients by assessing a company's internal controls to identify areas of weakness and provide recommendations for improvement.

Professional Affiliations

- Rachel is a member of the Chartered Professional Accountants of British Columbia.

Education

- Rachel graduated with honours from the University of British Columbia with a Bachelor of Commerce in 2008.
- She earned her Chartered Professional Accountant designation in 2010.

Community Involvement

- Rachel is proud to organize the Surrey office's annual Adopt-a-Family program in support of the Surrey Christmas Bureau.
