Professional Summary

- For more than 20 years Terrilyn has worked with small, medium, and large businesses to become their trusted advisor. She prides herself on her ability to quickly understand her clients' business and their unique environments, introducing accounting processes that are relevant and drive impactful results. She looks for ways to introduce efficiencies in record management to ensure the timely and accurate delivery of monthly, quarterly, and year-end reports.
- Terrilyn joined Crowe MacKay in 2013 and now leads the financial services support team for clients in Yellowknife as well as the broader Northern region.
- Leaning on a broad range of industry and sector experiences, she strives to understand each client's unique business environment and introduce accounting processes that are relevant and impactful on her clients' operations.

Experience

- A Certified Professional Bookkeeper, Terrilyn brings with her more than two decades of financial recordkeeping and due diligence experience for businesses of all sizes.
- Relocating to the North from Eastern Canada in 2003, Terrilyn has worked in a wide range of industries and sectors, including tourism, supply chain, and government. This, combined with a host of industry-recognized certifications and business training, ensures she is able to quickly grasp the individual operating practices of her client's business.
- All throughout her career, Terrilyn has taken particular interest in helping small businesses and entrepreneurs. From establishing accurate and compliant reporting procedures to helping navigate the audit process, Terrilyn enjoys acting as a trusted advisor to her clients.

Professional Affiliations

- Terrilyn is a member of the Institute of Professional Bookkeepers of Canada and the Canadian Payroll Association.
- She is also a Sage 50 Certified Consultant.
