**Professional Summary**

- Adrian is a manager in the Tax Group at Crowe Soberman. He has been practicing in public accounting for over 9 years, where he has provided tax compliance and advisory services to a variety of small to mid-market companies. Adrian's client portfolio has consisted of entities which are private, public, multinational, and private-equity owned, who operate in a diverse range of industries.

**Experience**

- Adrian's extensive experience in both domestic and international tax, allows him to execute on a wide array of tax matters including corporate reorganizations, shareholder remuneration planning, advising on cross-border matters, managing complex tax return filings, and acquisition and exit-strategy planning.
- No single approach is always the right one for every taxpayer. Therefore, Adrian is keen on consistently understanding each client's business and objectives in order to create the optimal tax solution, while also applying a pragmatic approach.
- When he isn't crunching numbers and implementing tax strategies, Adrian enjoys spending his time with family and friends.
