Professional Summary

- Frédéric Pansieri is a partner of Commodity Taxes, joining the firm in 2006 from Symcor Inc. where for four years he was in charge of tax compliance. Though he came from industry, Frédéric is not a stranger to public practice and worked for a public accounting firm in Quebec where he handled corporate and personal income tax matters.

Experience

- Frédéric has extensive commodity tax experience, as well as corporate income tax experience at the federal level and in various provincial tax jurisdictions across Canada. Frédéric is a frequent author on articles pertaining to GST and HST and is a member of the Crowe Global VAT Steering Committee.
- Frédéric specializes in commodity taxes and cross-border tax issues. He also has extensive experience negotiating with tax auditors and handling day-to-day management of tax-related issues and compliance within a corporation.
- His client portfolio consists of both local and international businesses from various industries including Real Estate, Software, and Manufacturing & Distribution. Additionally, he frequently handles Quebec tax matters.
- Frédéric is fluently bilingual and can assist clients in English or French.
