### **Professional Summary**

- Jordana is a Partner in the Tax Group at Crowe Soberman. She advises high-net-worth individuals, privately held businesses, and estates and trusts on a broad range of tax compliance and planning matters. Known for her ability to simplify complex tax concepts, she provides clear, practical guidance that helps clients make informed decisions and achieve sustainable success.

### **Experience**

- As a Tax Partner, Jordana is engaged in all areas of the tax practice, including estate and trust compliance, as well as personal and corporate tax compliance.
- She provides consulting on corporate reorganizations, tax due diligence, estate and trust planning, and immigration and emigration matters.
- Jordana ensures clients remain compliant with complex tax measures while delivering tailored strategies that align personal and business objectives.
- Outside of the office, Jordana enjoys spending time with her family and participating in community initiatives.

### **Professional Affiliations**

- Chartered Professional Accountants of Canada (CPA Canada)
- Chartered Professional Accountants of Ontario (CPA Ontario)

### **Education**

- Bachelor of Management and Organization Studies (BMOS), with an Honours Specialization in Accounting, University of Western Ontario
- Completion of the CPA In-Depth Tax Course
- Completion of the CPA In Depth Tax Issues for the Owner Managed Business Course

### **Service Focus:**

- Personal, corporate, trust and partnership tax compliance
- Estate, post-mortem and succession planning
- Tax due diligences
- Immigrating and emigrating
- Voluntary disclosure applications

### **Industry Focus:**

- High net worth individuals
- Privately-held businesses
- Estates
- Owner-managed businesses
- Real estate and construction
