Professional Summary

- With over 20 years of experience working with entrepreneurial clients, Mayeer Pearl joined Crowe Soberman's Audit & Advisory Group as a Partner in 2017. Prior to that, Mayeer was a partner at a local firm for 14 years.

Experience

- Mayeer is a results-oriented, strategic business leader with a proven record of success working with clients in start-up, turnaround and growth situations. He works with a diverse client base with extensive experience in the real estate, health care, family office and retail sectors. He specializes in providing consulting services including business advice, operation decision making process, acquisition and sale of business, business plans and cash flow projections, estate planning, refinancing and reorganization and special accounting and financial projects. Mayeer has extensive experience in income tax planning, audit and advisory services. He has been involved in audit design, the review of audit findings, audit and accounting research, financial statement preparation, presentations and disclosure.
- Mayeer can be relied upon to provide practical business answers as well as solid accounting and tax advice. He takes pride in his personal relationships with clients, and sees his role as that of a friend and trusted adviser to families and closely held businesses.
- Mayeer advises and assists many owner managed businesses in the implementation of transitioning to the next generation.
