Professional Summary

- As a senior manager in Audit and Advisory, Ryan seeks to prioritize his relationships—ensuring both clients and colleagues feel comfortable and are provided with reliable and knowledgeable service.
- Ryan's excellent communication skills and light-hearted demeanor allow him to build a strong rapport with his clients to develop efficient and effective procedures required for their unique assurance needs.

Experience

- Ryan's expertise focuses on audit and assurance engagements across a wide variety of industries including, real estate investing and development, mortgage lending, manufacturing, and professional service corporations and partnerships.
- He has led engagements for both private and publicly listed entities, reporting under both ASPE and IFRS.
- Having worked extensively with a TSX-listed financial services company, Ryan developed a wealth of experience with IFRS while leading and managing regular assurance and special reporting engagements.
- Working with a publicly listed entity helped Ryan develop a keen awareness not only of IFRS reporting requirements, but also of ongoing compliance requirements imposed by governmental regulating bodies.
- As a senior manager on the audit and assurance team, Ryan is responsible for coaching staff members and his engagement teams as they work collaboratively towards their common goal—delivering assurance to our clients.
- Through his work in audit and assurance, Ryan is provided the opportunity to meet a wide array of individuals, from corporate officers to small and medium-sized business owners.
