Professional Summary

- Soo-Ling Huang joined Crowe Soberman in 1998 as a staff accountant in our Audit & Advisory Group. Over the years, Soo-Ling continued accelerating in her career growth and now works as a director in the Professional Practice Group, where she enjoys assisting staff in achieving the firm's quality standards.

**Experience**

- Soo-Ling assists the partner in charge of Professional Practice in the monitoring of accounting and assurance standards, as well as standards regarding professional conduct and quality control. She is involved in the quality control review of financial statements prior to issuance. She spends much of her time conducting research, providing internal support, and training.
- Soo-Ling welcomes her colleagues' and clients' questions, and is always willing to provide her support where possible. "What I enjoy most about Crowe Soberman is the exposure to different personalities and projects. There is never a dull moment!" Aside from being approachable, Soo-Ling is helpful and takes pleasure in knowing she can help others.
- Soo-Ling has worked with clients in various industries including:
 - Professional
 - Manufacturing & Distributions
 - Not-for-profit Organizations
 - Investment Companies
 - Real Estate & Construction
