**ENDORSEMENT OF JUSTICE OSBORNE:**

1. This receivership is virtually at an end. This scheduling appointment is sought, effectively by both the Receiver and the Debtor to address the fees of the Receiver and its counsel. The receiver seeks to schedule a motion for the approval of fees, and the Debtor wishes to oppose the quantum of those fees, being of the view that they are excessive.
2. The contested fee approval motion will be heard for one hour on February 27, 2023. Both counsel have confirmed their availability on that date and the fact that materials will be delivered [both ways]

sufficiently far in advance to ensure that the matter is fully briefed and can proceed on February 27 as scheduled.
