SUPERIOR COURT OF JUSTICE  
(COMMERCIAL LIST)

IN THE MATTER OF THE NOTICE OF INTENTION TO MAKE A  
PROPOSAL IN BANKRUPTCY OF  
CON-KER CONSTRUCTION CORPORATION  
OF THE CITY OF OAKVILLE  
IN THE PROVINCE OF ONTARIO

FIRST REPORT OF THE PROPOSAL TRUSTEE  
February 23, 2018

INTRODUCTION

1. On January 29, 2018, Con-Ker Construction Corporation (“**Con-Ker**”, the “**Company**” or the “**Debtor**”), filed a Notice of Intention to Make a Proposal (“**NOI**”). Crowe Soberman Inc. consented to act as the Proposal Trustee (in such capacity, the “**Proposal Trustee**”) for the Company. A true copy of the Certificate of Filing of a Notice of Intention is attached hereto as **Appendix “A”**.
2. Attached hereto as **Appendix “B”**, are the NOI, cover letter, and list of creditors (collectively, the “**NOI Mailing Package**”) for the Company that were sent to all known creditors on January 31, 2018.
3. Con-Ker will bring a motion returnable on February 27, 2018 (the “**Motion**”) for an order, *inter alia*,
  - a) Extending the time within which a Proposal must be filed with the Official Receiver to April 13, 2018;

4. In support of the Motion, Con-Ker filed an Affidavit of Mr. Dino Marchioni, sworn February 22, 2018 (the “**Marchioni Affidavit**”) which describes, among other things, Con-Ker’s history and the reasons for the commencement of these proceedings. The Proposal Trustee has not repeated those details in this first report to the Court (the “**First Report**”), except to the extent necessary.
5. Con-Ker is the owner and operator of a company located in the City of Oakville, which specializes in sewer, water main work, and other transportation infrastructure for the Regional Municipalities of Peel and Halton. Con-Ker has worked on projects for the City of Mississauga, Town of Oakville, Town of Milton, City of Burlington, and City of Brampton. The Company maintains a large fleet of leased and owned equipment, has a small amount of in-house employees carrying out maintenance and administrative work, and is largely reliant on unionized staff to carry out its contracts.
6. Con-Ker’s primary clients are municipal governments in Southern Ontario. Con-Ker has two active jobs, completing a large project on the James Snow Parkway for the Regional Municipality of Halton (“**Halton**”), and another project in Streetsville for the Regional Municipality of Peel (“**Peel**”) (together, the “**Ongoing Projects**”).
7. Due to Con-Ker’s liquidity issues, a number of construction liens have been registered on the Ongoing Projects, and the Company has been notified that additional liens are being registered in the near future. The liens have resulted in Con-Ker no longer receiving payments from Halton or Peel for its ongoing work. Echelon Insurance (“**Echelon**”) has issued bonds in connection with the Ongoing Project, and has advised Con-Ker that it has received a number of claims under the bonds. The principals of Con-Ker believe that Echelon will not retain the Company to complete the Ongoing Projects.
8. The Proposal Trustee has had discussions with Con-Ker’s principals regarding the Company’s intentions in initiating these proposal proceedings. The principal purposes of these proceedings, are to (i) provide Con-Ker with an opportunity to explore assigning the Ongoing Projects to a replacement contractor that has the ability to complete the contracts and assume the liabilities relating to the Ongoing Projects; (ii) allow Con-Ker time to

continue to litigate or settle outstanding proceedings involving certain municipalities for the benefit of its creditors; (iii) allow Con-Ker time to collect certain accounts receivable in the normal course of business for the benefit of its creditors; (iv) allow Con- Ker time to perform an orderly liquidation of its equipment and assets; and (v) negotiate and make a viable proposal to its creditors.

## **PURPOSE OF THE FIRST REPORT**

9. The purpose of this First Report is to advise the Court of the filing of the NOI, and the Proposal Trustee's position with regard to the Company's application for a 45 day extension of time for filing a Proposal, specifically to and including April 13, 2018, pursuant to Section 50.4(9) of the Bankruptcy and Insolvency Act ("BIA"). The Proposal Trustee hereby submits this report to the Court pursuant to Section 50.4(7)(b) (ii) of the BIA

## **DISCLAIMER**

10. In preparing this First Report, the Proposal Trustee has relied upon certain unaudited, draft and/or internal financial information, the Debtor's books and records, management and employees, and information from other third party sources. The Proposal Trustee assumes no responsibility or liability for loss or damage occasioned by any party as a result of the circulation, publication, re-production or use of this First Report. Any use which any party, other than the Court, makes of this First Report, or any reliance on, or any decisions to be made, based upon it, is the responsibility such party.

## **BACKGROUND**

11. A corporation search indicates that the Company was incorporated on December 22, 1994, and began operating shortly thereafter. The corporate profile indicates that its current directors and officers of Con-Ker are Francesco Fusillo and Dino Marchioni, who each either directly or indirectly own 50% of Con-Ker. The Company operates out of leased premises at 860 Progress Court, Oakville, Ontario (the "**Oakville Property**"). The

Proposal Trustee understands that a related company, 1276058 Ontario Inc., (“127”) owns the Oakville Property and has been declared a creditor.

## CAUSES OF FINANCIAL DIFFICULTY

12. The Proposal Trustee understands that the Company’s financial difficulties stem from issues that arose on specific contracts and bids with Peel and Halton, which involved delays and add-ons. Due to delays in receiving certain holdback payments, the Company was required to borrow funds from third parties and the directors, to repay its obligations, and various liens were subsequently registered against these projects. The Proposal Trustee understands that there are still ongoing legal actions commenced by the Company against both Peel and Halton over these specific contracts, with mediation dates scheduled for the spring.

## CURRENT LEGAL PROCEEDINGS

13. Upon the filing of the NOI, the Proposal Trustee issued fifteen (15) separate Notices of Stay of Proceeding to various creditors related to actions commenced against Con-Ker prior to the filing of the NOI;

	Court File Number	Plaintiffs	Defendants
1	CV-13-475513	Robert B Sommerville Co. Ltd.	Con-Ker, F. Fusillo, D. Marcioni.
2	CV-4220-15	EC Power & Lighting Ltd.	Con-Ker, Halton
3	CV-4222-15	EC Power & Lighting Ltd	Con-Ker, Halton
4	CV-4223-15	EC Power & Lighting Ltd	Con-Ker, Halton
5	CV-4224-15	EC Power & Lighting Ltd.	Con-Ker, Halton
6	CV-4299-17	EC Power & Lighting Ltd.	Con-Ker, F Fusillo, D Marcioni
7	CV-5473-14	Belor Construction Ltd.	Con-Ker
8	CV-15-521075	Belor Construction Ltd.	Con-Ker, F Fusillo, D Marcioni
9	CV-15-523620	Belor Construction Ltd.	Con-Ker, Zurich Insurance
10	CV-15-523620	Belor Construction Ltd.	Con-Ker, Zurich Insurance

11	CV-59-16	Coco Paving Inc.	Con-Ker, Zurich Insurance
12	CV-871-16	Coco Paving Inc.	Con-Ker, F Fusillo, D Marcioni
13	CV-4322-15	Coco Paving Inc.	Con-Ker, Halton
14	CV-1145-17	Bell Canada	Con-Ker
15	CV-1101-17	Multiseal Paving Company	Con-Ker

14. After circulating the NOI Mailing Package to all known creditors, the Proposal Trustee was advised of an additional action commenced against Con-Ker;

	Court File Number	Plaintiffs	Defendants
1	CV-16-55710	Peel	Con-Ker, ,GHD Limited, Williams Parkway, Mattamy Limited, Sungold Group, Creview Development, Nicolau Properties Ltd.

15. The Workplace Safety & Insurance Board (“**WSIB**”) and International Erosion Control Systems Inc. forwarded to the Proposal Trustee two notices of garnishment. The garnishment notices were served on the TD Bank branch where Con-Ker held its operating account after the date of the NOI. The Proposal Trustee notified the branch manager of the Stay of Proceedings that was in place, but was not able to send the Notice of Stay of Proceedings until after the garnishment notices were received at the branch, which resulted in Con-Ker’s bank account being frozen for several business days.

16. In the course of its monitoring, the Proposal Trustee noted that approximately \$125,000 was transferred to the bank account of 127 the same date that the WSIB garnishment notice was received. Con-Ker advised the Proposal Trustee that although the Debtor was aware that a Stay of Proceedings was in place, it was concerned that the funds would not be available to the Company for its ongoing operations. The Proposal Trustee has confirmed that the funds have been subsequently transferred back to the bank account by 127, and TD Bank has been properly notified of the Stay of Proceedings.

## CASH FLOW AND MONITORING

17. The Company submitted its projected cash-flow statement dated February 5, 2018 (“**Cash Flow**”), which was reviewed for its reasonableness by the Proposal Trustee. The Proposal Trustee uploaded the Cash Flow to the Office of the Superintendent of Bankruptcy (“**OSB**”) on February 7, 2018, alongside the Proposal Trustee’s report and the report by the insolvent person on the Cash Flow. A copy of the Cash Flow is attached hereto as **Appendix “C”**.
18. The Company has prepared a draft amended cash flow (“**Amended Cash Flow**”) with the assistance of the Proposal Trustee, based on the actual activity for January and February. The Amended Cash Flow indicates that the Company has sufficient cash on hand to meet its obligations until the proposed Proposal extension date of April 13, 2018. A copy of the draft Amended Cash Flow is attached hereto as **Appendix “D”**.
19. The Trustee has been actively monitoring the affairs of the Debtor following the filing of NOI to the date of this First Report. The daily monitoring has focused on cash management, collecting daily banking activity, reviewing online banking, and daily conversations with staff on the deposits and withdrawals occurring in the corporate bank account, and review of supporting material.
20. Representatives of the Proposal Trustee have attended at the Oakville Property on separate occasions to meet with the Debtor’s staff and inspect the premises. A list of owned and leased equipment has been prepared by the Debtor, which the Proposal Trustee is having verified and appraised by a licensed appraiser.
21. The Proposal Trustee has confirmed that payments towards the Canada Revenue Agency (“**CRA**”) for payroll remittances since the filing of the NOI have been processed. The returns and reporting for the HST account are being finalized by Con-Ker’s staff.

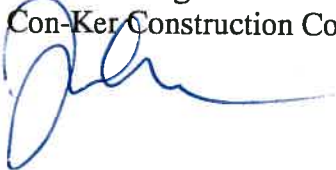

## STAY EXTENSION APPLICATION

22. As the Debtor is applying for an extension of the 30 day period within which the Proposal must be filed, in the Proposal Trustee's view, the Company has acted and continues to act in good faith and with due diligence. In this regard, prior to the filing of the NOI, the Company worked closely with the Proposal Trustee to prepare its Cash Flow, and continues to explore its restructuring options with the Proposal Trustee.
23. In light of the Debtors' plans to find a replacement contractor to take over its obligations and liabilities under the Ongoing Projects, and the likelihood that the Debtor will recover funds from its actions against Halton and Peel in the near future, the Debtor will likely be able to make a viable proposal if an extension is granted.
24. No creditor is likely to be materially prejudiced if an extension of the time within which the Proposal could be filed is granted.
25. Based on the foregoing, the Proposal Trustee supports the Debtor's application for an Order extending the time for the Company to file its Proposal to creditors.

All of which is respectfully submitted this 23<sup>rd</sup> day of February, 2018.

Date of Proposal: January 29, 2018.

Notice is hereby given that the above debtor filed a proposal.

Every proposal made in pursuance of this Act takes precedence over all judicial or other attachments, garnishments, certificates of judgment, judgments operation as hypothecs, executions or other process against the property of a bankrupt, except such as have been completely executed by payment to the creditor or his agent, and except also the rights of a secured creditor.
