 - ii. approved the consulting agreement (the “**Consulting Agreement**”) between the Companies’ and Shawn Parkin as liquidation consultant (“**Consultant**”), pursuant to which the Consultant is to assist with the liquidation process proposed to be undertaken by the Companies in respect of the Companies’ inventory and owned furniture, fixtures, and equipment (“**FF&E**”) at the Companies’ retail locations and warehouse (the “**Liquidation Sale**”) in accordance with the sale guidelines (the “**Sale Guidelines**”) appended to the Liquidation Process Order; and
 - iii. authorized the Companies, with the assistance of the Consultant and the CRA to conduct the Liquidation Sale.

A copy of the Liquidation Process Order is attached to the June 7th Affidavit as Appendix “D”.

5. On April 29, 2019, the Court issued an Order (the “**Proposal Period Extension Order**”) which, among other things, granted an extension of the Proposal Period to June 17, 2019. A copy of the Proposal Period Extension Order is attached to the June 7th Affidavit as Appendix “E”.

V. THE LIQUIDATION SALE

12. The Liquidation Sale commenced on March 9, 2019, and has been conducted in accordance with the terms of the Consulting Agreement and the Sale Guidelines, and was concluded on May 29, 2019. The final monetary results of the Liquidation Sale are discussed later in this Third Report.
13. In accordance with the terms of the Liquidation Process Order (and Sale Guidelines), any additional merchandise to be added to the goods located in the

retail locations which were to be sold during the Liquidation Sale, was limited to goods which were located at the warehouse/distribution center located in London, Ontario (the “**Distribution Center**”). The Proposal Trustee understands that all of the Companies’ owned inventory was allocated to various retail stores and sold in the Liquidation Sale.

14. The Proposal Trustee was advised of and approved disclaimers of retail leases during the course of the Liquidation Sale. Disclaimer Notices were sent by the Companies in March and April to all Landlords. The effective dates of the disclaimer notices were in April for three (3) locations, May for twenty-five (25) locations, and June for one location. The Proposal Trustee understands the last location was vacated on May 30, 2019, and there were no disputes filed in respect of the Companies’ disclaimer notices.
15. The Proposal Trustee understands that the Companies, with the assistance of the Consultant, have vacated all retail locations, left them in a broom-swept condition, and turned over the keys to the Landlords’ representatives.

FF&E

16. In accordance with the Consulting Agreement, the Consultant assisted the Companies in selling the FF&E located at the retail locations for a fee of twenty percent (20%) of gross proceeds realized therefrom. The Proposal Trustee understands that approximately \$102,645 was realized from the sale of the Companies FF&E.

Consultant and the CRA

17. Since the commencement of the Liquidation Sale, the Consultant and the CRA have been paid their fees and reimbursable costs on a weekly basis.
18. The Consultant was provided with notice of termination, in accordance with the Consultant Agreement, on May 15th. Effective on May 20, 2019, the CRA moved from a weekly fee agreement to an hourly arrangement given that the Liquidation Sale was winding down and was given notice that the CRA would be terminated

effective on the earlier of the bankruptcy of the Companies or the appointment of a receiver in respect of the Companies.

19. As of the date of this Third Report, the final settlement of the Consultant's fees and reimbursable costs has been completed and agreed to by the Companies with final payment to be made prior to the effective date of the Receivership.

20. The CRA Engagement Letter contemplated that a success fee/bonus structure would be earned and determined. The CRA and the Companies have now agreed upon the economics of the bonus structure, which was in line with the range contemplated in the CRA Engagement Letter. The Debtor will be filing, under seal, the details of the final fee structure. The CRA's role will terminate as at the deemed bankruptcy date and the Applicants are seeking an order to discharge the CRA.

VI. REMAINING ASSETS

21. As of the date of the Third Report, and following the conclusion of the Liquidation Sale, the Companies are left with limited (and primarily intangible) assets (the "**Remaining Assets**"), outside of the Real Property and racking included therein, and the return of certain deposits, these include internet domains, and customer lists.

22. The Companies, in consultation with the Proposal Trustee, are currently considering their options to monetize the Remaining Assets.

VII. REAL PROPERTY AND CONTINUED MARKETING PROCESS

23. As outlined in the Second Report, in December 2018 GESL entered into a Listing Agreement with CBRE Limited for the sale of the Distribution Center, which is owned by GESL, at a listing price of \$6.5 million. As of the date of the Third Report the Proposal Trustee understands that while interest has been shown regarding the Property, no offers or letters of intent have been received.

VIII. EMPLOYEES

24. As of the Filing Date, GEEP employed 202 individuals across its retail store locations, 179 of which were on a part-time basis, and GESL employed 13 full-time head office and warehouse employees, all of which are non-unionized.

25. The Proposal Trustee was sent a copy of the Notice of Termination that was registered with the Ministry of Labour on March 28, 2019, notifying the Ministry that the Companies were terminating more than 50 employees in the same four-week period. The Proposal Trustee has been advised that employees have also received individual letters of termination.

26. The Proposal Trustee understands that all of GEEP's employees have either resigned or been terminated, with the exception of Matthew McBride, and that those employees have been paid, or will be paid, their wages and accrued vacation pay to the date their employment ended. The Proposal Trustee understands that all but 6 of GESL's employees have either resigned or been terminated. Those employees are assisting with the accounting, administration, and clean up at the Real Property. The Proposal Trustee has been advised that those employees have been paid, or will be paid, their wages and accrued vacation pay to the date their employment ceases.

27. For the 6 remaining employees, their wages and accrued vacation pay to the deemed bankruptcy date will be paid. The Receiver, if appointed, and BIA Trustee will determine whether it is necessary to retain the assistance of any of these individuals to assist with the Receivership and/or Bankruptcy Proceedings.

KERA and Stay Bonus and Incentive Program

28. As detailed in the First Report, given the planned short timeframe to complete the Liquidation Sale, the KERA was developed to ensure the retention of key office personnel and certain staff at the Distribution Centre through the completion of the Liquidation Sale and the NOI Proceedings (the "**KERA Beneficiaries**"). As outlined in the First Report, the KERA is secured over the Companies' property through a charge in the maximum aggregate amount of \$100,000.

29. The KERA provides for retention payments to be paid to each of the KERA Beneficiaries at specific dates during the NOI Proceedings. In order for the KERA Beneficiaries to receive payments under the KERA, among other things, the KERA Beneficiaries cannot have: (a) disclosed the term of the KERA (other than to legal, financial and tax advisors or as required by law); or (b) at any time on or before the date any portion of the funds contemplated under the KERA is paid (i) resign or (ii) be terminated for cause.

30. The Proposal Trustee understands that the Companies have made payments to the KERA Beneficiaries who have been terminated, and those payments were paid out on their payroll. In respect of KERA Beneficiaries that have not yet been terminated or were terminated on the last store closure date on May 30, 2019, the amount payable to each of them under the KERA will be paid on their final payroll, June 14, 2019.

31. To the extent that employees are entitled to a KERA and have not been paid, the Receiver shall pay the amounts secured by the KERA Charge.

32. In addition to the KERA, the Proposal Trustee worked with the Companies, the CRA and the Consultant to create a stay bonus program for certain store employees, with an estimated value of between \$80,000-\$120,000 based on the performance of the Liquidation Sales at the store level (the "**Stay Bonus and Incentive Program**"). A copy of the Stay Bonus and Incentive Program was included as a confidential appendix to the First Report. The Proposal Trustee understands that, in light of the strong recoveries from the Liquidation Sale, nearly all store level employees who were eligible to participate in the Stay Bonus and Incentive Program have been paid or/ will be eligible to receive payments on their final payroll, June 14, 2019.

IX. CASH FLOWS FOR THE PERIOD FROM MARCH 4, 2019 TO MAY 31, 2019

33. In support of the Companies' request for the initial extension of the Proposal Period to May 3, 2019, the Companies, with the assistance of the CRA and the Proposal Trustee, prepared individual forecasts of the Companies' receipts and

disbursements for the period March 4, 2019 to May 3, 2019 (the “**First Cash Flow Forecasts**”). A copy of the First Cash Flow Forecasts was included as Appendix “C” to the First Report.

34. In support of the Companies’ request for its subsequent stay extension to June 17, 2019, the Companies, with the assistance of the CRA and the Proposal Trustee, prepared individual forecasts of the Companies’ receipts and disbursements for the period April 3, 2019 to June 21, 2019 (the “**Second Cash Flow Forecasts**”). A copy of the Second Cash Flow Forecasts was included as Appendix “C” to the Second Report.

35. A comparison of the Cash Flow Forecast to the Companies’ reported results for the period March 4, to May 31, 2019 is attached as **Appendix “C”** and is summarized below:

36. As noted in the table above, GESL reported positive net cash flow of approximately \$3.1 million, which was approximately \$1.9 million higher than anticipated. One of the main contributors to the positive variance is that GESL received a corporate tax refund in the amount of \$617,170. The timing of receipt of this tax refund was assumed to be outside of the period encompassed in the Cash Flow Forecasts. As well, the receipts from the sale of the inventory at the Green Earth Stores, which was purchased and is owned by GESL, has been greater than anticipated.

37. As noted above, GEEP reported positive net cash flow of approximately \$988,202, which is approximately \$1.1 million higher than anticipated. The variance was due to an increase in sales against the Cash Flow Forecasts.

X. STATUS OF PROPOSAL FILING

38. In the First Report the Proposal Trustee reported that it received an opinion, from its independent counsel Stikeman, confirming that the RBC Security was valid and enforceable in the Province of Ontario. The RBC Security was assigned to McBride Enterprises and Beckstette Enterprises who took an assignment of the indebtedness owing by GESL to RBC. The Proposal Trustee understands that as of the date of this report the amount outstanding is \$3,288,265.

39. Also in the First Report, the Proposal Trustee reported on certain advances made to the Companies by the Enterprises via Promissory Notes. As security for the Companies' obligations to the Enterprises under the Promissory Notes, the Companies each provided general security agreements to the Enterprises.

40. The Proposal Trustee confirmed that it received an opinion, from its independent counsel, Stikeman, confirming that the Enterprises Security is valid and enforceable in the Province of Ontario. The Proposal Trustee understands that as of the date of this report the amounts outstanding are as follows;

- GEEP-Beckstette Enterprises Corp- \$734,867
- GEEP-Matthew McBride Enterprises Corp- \$734,798

- GESL- Beckstette Enterprises Corp- \$2,411,077
- GESL-Matthew McBride Enterprises Corp- \$2,424,777

41. Based on the amounts outstanding towards the Enterprises Security, the assignment of the RBC security, and the results of the Liquidation Sale, it was determined that the Companies are not in a position to offer a viable proposal to unsecured creditors.

XI. APPOINTMENT OF A RECEIVER AND DEEMED BANKRUPTCY

42. The Companies (and the Enterprises), have brought an application for the appointment of a Receiver over the Companies. The Effective Date of the Receivership is proposed to be on the deemed bankruptcy date of June 18, 2019. The purpose of the Receivership is to complete the following;

- i. to continue to market and sell the Real Property;
- ii. to distribute the proceeds from the Liquidation Sale, and any future proceeds from the sale of the Real Property and Remaining Assets;
- iii. to schedule and complete a payroll audit with the Canada Revenue Agency;
- iv. to administer the Wage Earner Protection Program;
- v. to deal with the realization of the Remaining Assets; and
- vi. any other ancillary matters that involve the Companies.

43. Crowe has consented to act as the Receiver in order to complete the sale of the Companies' remaining assets, distribute the proceeds from the Liquidation Sale, and any future proceeds, and other administrative matters as they arise.

44. The Companies received an extension of time to file a Proposal to June 17, 2019 pursuant to the Proposal Period Extension Order. As no proposals will be filed by the Companies, both Companies will be deemed bankrupt as of June 18, 2019.

Crowe will also be acting concurrently as the Trustee in Bankruptcy to the date of the First Meeting of Creditors where its appointment will be confirmed or substituted in the normal course based on resolutions passed.

XII. REALIZATION ANALYSIS AND PROPOSED DISTRIBUTION BY RECEIVER

45. Based on current estimates, it is expected that there will be between approximately \$1,600,000 to \$1,800,000 available to be distributed in GEEP.

46. Based on current estimates, it is expected that there will be between approximately \$3,500,000 to \$3,600,000 available to be distributed in GESL.

47. The Companies have prepared the Realization Analysis which is attached hereto as **Appendix "D"**. Below is a summary of the proposed distributions from the monies that are anticipated to be available for distribution by each of the Companies.

Total Secured Debt	\$7,889,783.00
Shortfall prior to the sale of Real Property	(\$4,322,783.00)

48. As set out in the Liquidation Analysis, the cash balances as of May 31, 2019 take into account the amounts currently being held in the Companies' bank accounts as well as two separate GIC accounts. The remaining receipt of \$30,000 in GEEP relates to a security deposit being held by Moneris to protect against potential chargebacks by customers. The Companies' post NOI filing obligations are to be paid when due. The estimated balance of professional fees includes arrears for part of the months of April and May and anticipated costs to the date of bankruptcy. The amounts for the CRA and Consultant factor in completion bonuses payable. The amount payable under the RBC Assignment takes into account interest payable under the agreement.

49. The Proposal Trustee notes that the Applicants seek to have a distribution order issued upon the appointment of the Receiver to permit the payment of amounts to secured creditors and priority payables identified during the NOI Proceedings, including KERA and Administration Charge obligations. The Receiver, if appointed, will assist with the computation of any WEPA claims, priority or unsecured, which may be owing for GESL or GEEP; and will seek to have a payroll audit concluded in respect of GESL and GEEP. The Companies and the Receiver are not aware of any other potential Priority Payables however the draft distribution terms permit the Receiver the opportunity to maintain a reserve for potential priority payables. The Receiver will report to the Court during the course of the Receivership Proceedings should any such priority payables be identified. The Proposal Trustee notes that the Realization Analysis shall also be subject to payment of:

- The professional fees of the Receiver and its counsel for administering the receivership estate including the sale of the Distribution Center;

- The professional fees of the Bankruptcy Trustee and its counsel for administering the bankruptcy estate, including administering WEPA; and
- The monthly carrying costs of the Distribution Center.
- Costs of any GESL or GEEP employees retained to assist in the Receivership or BIA Proceedings.

50. The Distribution Order provides for an initial allocation of debt obligations relating to the RBC indebtedness, which has now been assigned pursuant to the RBC Assignment. The RBC debt was a secured obligation of both GEEP and GESL and RBC could therefore arguably look to either entity to recover on the debt. The Debtors have allocated \$264,336 of the \$3.3 million debt to be paid by GEEP, the result of which there would be no additional proceeds available beyond secured debt and priority payables at GEEP. Given the nature of the debt and secured lenders, had additional RBC debt been notionally allocated to GEEP, this would have resulted in further outstanding debt to the second secured creditors at GESL and GEEP. The unsecured creditors would not have received any additional recovery at this time at either GESL or GEEP.

XIII. PROPOSAL TRUSTEE'S AND ITS COUNSEL'S FEES AND DISBURSEMENTS

51. The Proposal Trustee has reported on the status of the Companies' NOI Proceedings, including the activities and actions of the Proposal Trustee in connection thereto, from time to time, in multiple reports to this Court. As detailed in the Proposal Trustee's reports (copies of which are available on the Proposal Trustee's website) to the best of the Proposal Trustee's knowledge, the Proposal Trustee has carried out its duties, as set out in the BIA and the various Orders issued by the Court in respect of the Companies NOI Proceedings.

52. The Proposal Trustee and Stikeman have maintained detailed records of their professional time and costs, and have not previously applied to Court for their approval. The Proposal Trustee is seeking the approval of its fees for the period

from January 2, 2019, 2018 to June 7, 2019 (the “**Proposal Trustee Period**”) and those of Stikeman for the period from January 31, 2019 to June 7, 2019 (the “**Stikeman Period**”) in connection with the performance of their duties in these NOI proceedings.

53. The total fees of the Proposal Trustee during the Proposal Trustee Period on a consolidated basis amounts to \$203,094.75 plus HST in the amount of \$26,402.32 (the “**Proposal Trustee Fees and Disbursements**”). The time spent by the Proposal Trustee’s personnel during the Proposal Trustee Period is more particularly described in the Affidavit of Hans Rizarri, sworn June 10, 2019 in support hereof and attached as **Appendix “E”** to this Third Report (the “**Rizarri Affidavit**”). The Rizarri Affidavit includes a summary of the personnel, hours, and hourly rates charged by the Proposal Trustee in respect of the NOI Proceedings for the Proposal Trustee Period.
54. The Stikeman Fees and Disbursements are detailed in the affidavit of Elizabeth Pillon, sworn June 10, 2019 in support hereof and attached as **Appendix “F”** to this Third Report (the “**Pillon Affidavit**”). The total fees for services provided by Stikeman amounts to \$97,039 together with expenses and disbursements in the amount of \$1,096 (both amounts excluding HST) (collectively the “**Stikeman Fees and Disbursements**”). As noted above, the time spent by Stikeman’s personnel during the Stikeman Period is more particularly described in the Pillon Affidavit (see Appendix “F”). Included in the Pillon Affidavit is a summary of the personnel, hours and hourly rates charged by Stikeman in respect of the NOI Proceedings for the Stikeman Period.
55. The Proposal Trustee respectfully submits that the Proposal Trustee Fees and Disbursements and the Stikeman Fees and Disbursements are fair and reasonable in the circumstances and have been properly incurred. Accordingly the Proposal Trustee is seeking approval of the Proposal Trustee Fees and Disbursements and the Stikeman Fees and Disbursements.

XIV. CONCLUSION AND RECOMMENDATION

56. Based on all the foregoing, the Proposal Trustee respectfully recommends that this Court issue the orders, as requested by the Companies and moving parties, granting the appointment of a Receiver and approving the Third Report, as well as the fees, activities, actions and conduct of the Proposal Trustee set out therein

All of which is respectfully submitted this 11th day of June, 2019

("Crowe") in its capacity as proposal trustee (the "Proposal Trustee"), in connection with the Notices of Intention to Make a Proposal ("NOIs") filed by each of Green Earth Stores Ltd. ("GESL") and Green Earth Environmental Products, a partnership ("GEEP" and together with GESL the "Companies").
2. On March 4, 2019 (the "Filing Date"), the Companies each filed an NOI pursuant to Section 50.4(1) of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c B-3, as amended (the "BIA") and Crowe was appointed as Proposal Trustee under each NOI. Copies of the Certificates of Filing issued by the Superintendent of Bankruptcy for each of the Companies are attached hereto as Appendix "A".

I. TERMS OF REFERENCE

4. Unless otherwise noted, all monetary amounts contained in this First Report are expressed in Canadian dollars.
5. In preparing this First Report, the Proposal Trustee has relied upon certain unaudited internal financial information prepared by the Companies' representatives, the Companies' books and records and discussions with their management, staff, agents and consultants (collectively, the "Information"). The

Proposal Trustee has not performed an audit or other verification of the Information in a manner that would comply with Generally Accepted Assurance Standards ("GAAS") pursuant to the Chartered Professional Accountant of Canada Handbook (the "CPA Handbook") and, as such, the Proposal Trustee expresses no opinion or other form of assurance contemplated under GAAS in respect of the Information.

II. GENERAL BACKGROUND INFORMATION ON THE COMPANIES

6. The Companies operate a retail business known as Green Earth Stores ("Green Earth"), with 29 leased retail locations in shopping malls in the Province of Ontario. The Companies' business, affairs, financial performance and position, as well as the causes of their insolvency are detailed in the affidavit of Mr. Matthew McBride sworn March 4, 2019 (the "McBride Affidavit") in support of the Companies' March 7, 2019 motion and are, therefore, not repeated herein. The Proposal Trustee has reviewed the McBride Affidavit and discussed the business and affairs of the Companies with senior management personnel of the Companies and is of the view that the McBride Affidavit provides a fair summary thereof.

Corporate Structure

7. GESL is a private company incorporated under the *Business Corporations Act* (Ontario) whose registered office is located at 40 King St. West, Suite 5800, Toronto, Ontario. GESL owns the inventory sold in the Green Earth stores (the "Inventory"), maintains an e-commerce website for online sales, and owns the real property that houses the Companies' warehouse and distribution center located in London, Ontario (the "Real Property").
8. GEEP is a general partnership that was registered in Ontario on October 27, 1995 pursuant to the *Partnership Act* (Ontario) whose registered head office is also at 40 King St. West, Suite 5800, Toronto, Ontario. GEEP operates the Green Earth retail business and employs the majority of the Companies' employees.

9. The partners of GEEP consist of Matthew McBride Holdings Inc. ("McBride Holdings") and Beckstette Holdings Inc. ("Beckstette Holdings"). McBride Holdings is a wholly owned subsidiary of Matthew McBride Enterprises Corp. ("McBride Enterprises"). Beckstette Holdings is the wholly owned subsidiary of Beckstette Enterprises Corp. ("Beckstette Enterprises"), and together with McBride Enterprises, the "Enterprises"). A chart showing the Companies' corporate structure is attached as Exhibit "B" to the McBride Affidavit.

Overview of Retail Operations

10. As at the Filing Date, Green Earth operated out of 29 retail locations in shopping malls in the Province of Ontario. Of the Companies' 29 store leases, 22 are in GEEP's name, and 7 are in GESL's name. Although 7 of the store leases are in GESL's name, GEEP pays the monthly rent for all store locations. A chart detailing the physical store locations by city is attached as Exhibit "A" to the McBride Affidavit.
11. The Companies originally sold environmentally conscious 'green' products to their customers but over time shifted their core product lines to home, garden, and novelty products due to a change in the Ontario retail landscape.
12. As outlined in the McBride Affidavit, the Inventory purchased by GESL is stored in a warehouse and distribution center (the "Distribution Center") located on the Real Property owned by GESL. GESL employs 13 employees on a full-time basis, consisting of managerial and administrative staff operating out of the Distribution Center.
13. GEEP runs the Companies' retail operations, and has 202 employees, the majority of whom are sales personnel who work on a part-time basis. Each retail location also has an in-house manager, acting manager or assistant manager who reports to a regional senior district manager.
14. All the Companies' employees are non-unionized, and the Companies do not sponsor any pension plans for their employees.

15. The details of the internal supply chain between the Companies, including the agreement between GEEP and GESL (the "Inventory Agreement") are outlined in paragraphs 18-21 of the McBride Affidavit, which outlines the manner in which Inventory is supplied by and paid for an intercompany basis, with GESL supplying Inventory to GEEP. The cost of goods sold are paid at a rate of 35.5% of the sale proceeds of the Inventory, calculated monthly, plus an administration fee of 15%. The Proposal Trustee understands that the Inventory Agreement will remain in place during the proposal proceedings while Inventory is being liquidated.

The Companies' Creditors

16. Copies of the creditor lists included in each of the Companies' proposal proceedings are attached hereto as Appendix "B". The creditor lists of the Companies reflect the claims of secured creditors as well as the unsecured group of vendors and suppliers.

17. As detailed in the McBride Affidavit, the Companies have had a banking relationship with the Royal Bank of Canada ("RBC") for over 20 years and maintain their operating accounts at RBC.

18. As at February 26, 2019, GESL was indebted to RBC in the amount of \$3,254,740.85. GESL granted certain security to RBC (the "GESL Security") to secure the indebtedness owing to RBC including a general security agreement and a collateral mortgage registered on title to the Real Property in the amount of \$3,425,000.00. Copies of the GESL Security are attached to the McBride Affidavit as Exhibit "C". In addition, GEEP guaranteed amounts owing by GESL to RBC and granted a general security agreement (the "GEEP Security") in favour of RBC to secure the amounts guaranteed to the RBC (together with the GESL Security the "RBC Security"). Copies of the GEEP Security are attached to the McBride Affidavit as Exhibit "D".

19. The Proposal Trustee has received an opinion from its independent legal counsel, Stikeman Elliott LLP, confirming that subject to typical qualifications and assumptions, the RBC Security is valid and enforceable in the province of Ontario.

20. On February 26, 2019, McBride Enterprises and Beckstette Enterprises took an assignment of indebtedness owing by GESL to RBC, and an assignment of the RBC Security. A copy of the assignment agreement evidencing the assignment of the RBC debt and RBC Security is attached to the McBride Affidavit as Exhibit "E".

21. As detailed in the McBride Affidavit, the Companies have also received support and funding from the Enterprises in order to finance operations. The Companies each issued two separate non-interest-bearing notes in favour of the Enterprises on June 19, 2009 (collectively, the "Promissory Notes"). As security for the Companies' obligations to the Enterprises including under the Promissory Notes, the Companies provided general security agreements to the Enterprises on June 19, 2009 (collectively the "Enterprises Security"). Copies of the Enterprises Security are attached as Exhibits "F" and "G" to the McBride Affidavit.

22. The Proposal Trustee has received an opinion from its independent legal counsel, Stikeman Elliott LLP, confirming that subject to typical qualifications and assumptions, the Enterprises Security is valid and enforceable in the province of Ontario.

23. In addition to the RBC Security and the Enterprises Security, the Proposal Trustee is aware of one other registration in respect of specific leased assets, made pursuant to the *Personal Property Security Act* (Ontario) (the "PPSA"). A copy of the PPSA search results are attached as Exhibits "L" and "M" to the McBride Affidavit.

24. In addition to the amounts owed by the Companies to the Enterprises, the Companies estimate that, as at the Filing Date, they have unsecured obligations totaling approximately \$1.6 million to their inventory suppliers and service providers.

25. The Proposal Trustee understands that the Companies are current with their returns and payments to the Canada Revenue Agency for GST/HST and employee/employer payroll deductions.

26. The Companies use a third-party payroll provider ("ADP"), and do not owe employees any wages. The McBride Affidavit has identified that there are accrued vacation pay amounts that will be paid in the ordinary course.
27. The Proposal Trustee understands that the Companies paid all of their March 1st lease payments.

The Companies' Financial Results

28. As described in the McBride Affidavit, due to a number of factors, including unfavourable retail market trends, low foot traffic, and Inventory that did not align with consumer preferences, the Companies' financial performance has declined, and its operations have suffered.
29. Summarized below are the Companies' historical financial results for the fiscal years ended September 30, 2018, and September 30, 2017, which are summarized from the draft financial statements for fiscal 2018 for GESL and GEEP attached to the McBride Affidavit as Exhibits "N" and "O".

30. The Companies' accountants, Deloitte LLP ("Deloitte"), reported on the Companies' financial statements for the fiscal year ending 2018, that GESL had a net loss of \$2 million and GEEP has a net loss of \$787,000. Deloitte added a going concern note on both statements that the Companies' present financial status may cast significant doubt about the Companies' ability to continue as a going concern.

31. On January 15, 2019, Crowe was formally retained by the Companies to act as a financial advisor with a primary focus on advising the Companies on the options available for winding down their operations.

III. THE NOI PROCEEDINGS

32. Due the losses incurred by the Companies, an oversupply of unpopular inventory and an uncertain retail landscape, the Companies have determined that, following the filing of the NOIs, it is in the best interest of all stakeholders for the Companies to complete an orderly liquidation of their inventory and other assets (the

“Liquidation Sale”), with the assistance of the Consultant and the CRA, and under the supervision of the Proposal Trustee

33. It is currently contemplated that the Real Property will be sold as part of the Companies’ proposal proceedings. In this regard, the Proposal Trustee understands that a listing agreement (“Listing Agreement”) has already been executed between GESL and their agent CBRE Limited (“CBRE”), and that CBRE has listed the Real Property for sale via the Multiple Listing Service (“MLS”). The Real Property will remain listed in accordance with this listing arrangement.

The Need for a Chief Restructuring Advisor

34. The Companies have recognized, and been encouraged by their advisors, to consider the benefit that retaining a CRA will bring to the conduct of Liquidation Sale, and the proposal proceedings as a whole. As described below, as part of the process commenced by Crowe to solicit proposals seeking assistance in the conduct of the Liquidation Sale, the CRA submitted a joint proposal with the Consultant. Following a series of meetings, including input from their advisors, the Companies decided that it is in their best interest to engage the CRA in conjunction with the Consultant.

35. The key elements of the CRA Engagement Letter are as follows:

- a. the CRA will act as an independent contractor to the Companies and will perform a review and assessment of the Companies’ business, assets, liabilities and operations;
- b. the CRA will assist the Companies with reviewing and developing cash flow projections and financial reporting;
- c. the CRA will assist the Companies in identifying sale strategies and cost reduction opportunities and will oversee the activities of the Consultant in carrying out the Liquidation Sale;

- d. the CRA will be responsible for overseeing the activities of the Consultant, including but not limited to reviewing that the store closings are conducted in accordance with the Court Orders obtained in conjunction with the store closings;
- e. the CRA will assist the Companies with communications and act as a point of contact to stakeholders, such as employees and landlords; and
- f. the CRA will be paid a base fee and its expenses on a weekly basis, with an additional fee payable at the end of the CRA's mandate based on the achievement of certain objectives and milestones. The Terms of the additional fee have not been finalized but the Proposal Trustee will continue to be involved in reviewing the proposed terms and will report back to the Court in this regard.

36. The Proposal Trustee has reviewed the CRA Engagement Letter and supports its approval by the Court. A redacted copy of the CRA Engagement Letter is attached to the McBride Affidavit as Exhibit "R".

37. The Proposal Trustee is of the view that the CRA firm selected by the Companies is cost effective, has relevant experience in recent national retailer liquidations, and is cognizant of the interest of the various stakeholders.

IV. THE LIQUIDATOR SELECTION PROCESS

38. It is the Companies' and the Proposal Trustee's belief that realizations from retail operations will be maximized through the appointment of an experienced liquidator to assist the Companies in carrying out the Liquidation Sale.

39. In early February 2019, Crowe commenced a process (the "RFP") to solicit proposals from liquidators to assist the Companies to liquidate their inventory and owned FF&E via a 'going-out-of-business' or 'store closing' sale scenario. The key aspects of the RFP are summarized as follows:

- a. Crowe, in consultation with management of the Companies, assembled a list of liquidators (in both Canada and the US) with experience managing mid to large scale retail insolvencies (the "Liquidators");
- b. three (3) Liquidators were contacted on the RFP and executed a non-disclosure agreement (the "NDA"). Crowe provided each with information regarding the Companies' inventory levels and valuations, historical and present sales information, store profiles, and other financial information, in order to assist with the Liquidators' due diligence efforts;
- c. the Companies received three (3) proposals (the "Liquidation Proposals") to assist the Companies with the Liquidation Sale. The Companies reviewed the Liquidation Proposals with their counsel and Crowe;
- d. the Companies' management and Crowe participated in meetings with certain Liquidators in order to discuss their proposals and answer any questions on the Liquidation Sale;
- e. two (2) of the Liquidation Proposals were from traditional third-party liquidators. The third proposal was a hybrid proposal, which contemplated the engagement of both the CRA and the Consultant to assist with the Liquidation Sale.

40. A comparison schedule summarizing the Liquidation Proposals (the "Comparative Analysis") is attached hereto as Confidential Appendix "1". As the Comparative Analysis includes certain sensitive commercial and competitive information, the Proposal Trustee believes that it is appropriate for the Comparative Analysis to be filed with the Court on a confidential basis and sealed until further order of the Court. In the Proposal Trustee's view, the disclosure of these terms could have a detrimental impact on each of the bidders (whether in these proceedings or otherwise), as it may reveal confidential information to their competitor. In addition, the Proposal Trustee is not aware of any material prejudice that would be suffered by third parties as a result of the sealing of the Comparative Analysis.

41. Following a review of the Liquidation Proposals received, the Proposal Trustee is of the view that the hybrid proposal, involving the appointment of the CRA and the Consultant to assist with the Liquidation Sale, is the most cost-effective of the three Liquidation Proposals received, and will permit the Companies to realize the greatest value for their Inventory. The CRA will assist the Companies in developing their strategy for maximizing recoveries from their retail assets, while the Consultant will assist in carrying out that strategy. Both the CRA and Consultant offer a wealth of experience in the retail arena that should provide comfort to the stakeholders.

V. THE CONSULTING AGREEMENT

42. Following the review of the Liquidation Proposals and the Comparative Analysis, counsel for the Companies contacted the CRA and the Consultant to advise them that the Companies wished to proceed with their proposals to assist the Companies with the Liquidation Sale.

43. Subsequent to notifying the CRA and the Consultant of the desire to proceed with their proposals, the Companies worked with the CRA, the Consultant and their advisors to finalize the terms of the CRA Engagement Letter and the Consulting Agreement. The CRA and the Consultant commenced working for the Companies on February 25, 2019.

44. In connection with the above, the Proposal Trustee notes that prior to the filing of the NOIs, the Companies worked with the CRA and the Consultant to develop a strategy to maximize recoveries from their retail assets.

45. On February 25, 2019, the Companies and the Consultant agreed on the final form of the Consulting Agreement, a redacted copy of which is attached as Exhibit 'S' to the McBride Affidavit. The key elements of the Consulting Agreement, are as follows:

- a. the Consultant will act as an independent contractor of the Companies and will assist the Companies and the CRA in conducting the Liquidation Sale in an effort to sell all Inventory, merchandise and other owned assets in the retail locations;
- b. the Consultant will assist the Companies in developing a budget for the Liquidation Sale. The Companies shall be responsible for all reasonable costs and expenses in connection with the Liquidation Sale;
- c. the Consultant will determine and recommend appropriate point of purchase, sale and external advertising in respect of the Liquidation Sale and will determine the appropriate pricing, display, discounting and transfer of Inventory and staffing levels at the stores;
- d. the Consultant will assist the Companies in developing sale incentives and an employee retention plan for store employees during the Liquidation Sale;
- e. in consideration of its services, the Consultant will earn a weekly fee as well as a bonus, as part of the Liquidation Sale; and
- f. the Consultant will be paid 20%, from the net sale proceeds of the Companies' owned FF&E.

46. The Proposal Trustee is supportive of the engagement of the Consultant and the execution and implementation of the Consulting Agreement.

VI. THE LIQUIDATION SALE AND SALES GUIDELINES

47. The Proposal Trustee has reviewed the terms of the proposed liquidation with the Company, the CRA and Consultant. The proposed terms are as outlined in the draft Liquidation Sale Order and Sales Guidelines attached thereto and provide as follows:

- a. the Liquidation Sale will commence immediately after the court approval of the Liquidation Process Order, and will conclude no later than June 30, 2019, or such other dates as agreed to by the Companies and the Consultant. Due to the size of the Inventory that is remaining on hand, a short time frame to complete the Liquidation Sale is preferred;
- b. subject to certain exceptions, the Liquidation Sale is to be conducted in accordance with the terms of the applicable leases for each of the Companies' retail locations;
- c. the Consultant shall be granted access to the Companies' retail locations throughout the sales process;
- d. the Sale Guidelines do not provide for any augmentation of the Companies merchandise;
- e. the CRA and Consultant will work the landlords in respect of the proposed signage in respect of the liquidation sales;
- f. the outside date for the completion of the sales will be [July 30, 2019]. Rent will continue to be paid throughout the sales process and disclaimer notice period; and
- g. the Companies may work with the Proposal Trustee and the Consultant to coordinate the disclaimer of leases (as the case may be) such that the disclaimers become effective on the conclusion of the Liquidation Sale at each store location.

48. The Proposal Trustee is also of the view that the contemplated Liquidation Sale satisfies the factors to be considered, pursuant to section 65.13(4) of the BIA. In particular, the Proposal Trustee is of the view that:

- a. conducting the Liquidation Sale with the assistance of the Consultant, an experienced retail liquidator, will maximize recoveries for the benefit of all of the Companies' stakeholders;

- b. the RFP process in respect of the liquidation bids leading to the Consulting Agreement was reasonable in the circumstances, based on the size of the Companies and the amount of Inventory to be liquidated;
- c. the Consultant has experience working with Canadian landlords of retail tenants in insolvency proceedings and understands their requirements and concerns;
- d. in the Proposal Trustee's view, the Sale Guidelines are in a form consistent with recent Canadian retail liquidations;
- e. the fee payable to the Consultant, in the Proposal Trustee's experience, is comparable to or less than other retail liquidators;
- f. the Enterprises, the Companies' ranking secured creditors, support the Liquidation Sale, the retention of the Consultant and the Consulting Agreement; and
- g. the Proposal Trustee notes that the cost of the Consultant and CRA will be shared equally as between GEEP and GESL.

VII. CASH MANAGEMENT SYSTEM

49. The Companies' Cash Management System, which is integrated between the Green Earth retail locations and centrally managed by GESL, is detailed in paragraphs 22 to 27 of the McBride Affidavit.

50. The McBride Affidavit lists the bank accounts maintained by the Companies in addition to RBC. Those accounts are for deposits only to facilitate the daily deposits of cash from the retail locations. It is contemplated that the Companies will continue to use the existing Cash Management System during their proposal proceedings.

51. It is the Proposal Trustee's experience that attempting to implement changes to a cash management system can be challenging. The Companies operate 29 separate retail locations, with a sophisticated point of sale system ("POS") on the front end that is integrated with a central reporting system via the Magstar software system ("MAGSTAR") on the back end. The Proposal Trustee is satisfied in the Cash Management System of the Companies after reviewing the reporting of the Companies, their policies, procedures and software (namely the POS and MAGSTAR system).

52. The Proposal Trustee supports the addition of the CRA as a signing officer on the Companies' bank accounts and the requirement for the CRA to approve any transaction over \$5,000.

VIII. ADMINISTRATIVE CONSOLIDATION

53. The Companies are seeking an order administratively consolidating the proposal proceedings of each of GEEP and GESL and authorizing the Proposal Trustee to administer the Companies' proposal proceedings as if they were a single proceeding for the purpose of filing materials and reporting to the Court.

54. As noted in the McBride Affidavit, the relationship between the Companies is closely intertwined. The Companies share common management and administrative support, share office space at the Real Property, and have parallel obligations to the Enterprises. In addition, the proposed Liquidation Sale involves the sale of substantially all of the Inventory located at the Real Property and the retail locations.

55. It is the Companies' belief, and that of the Proposal Trustee, that the administrative consolidation of the Companies proposal proceedings is appropriate, as it would avoid duplication of efforts in reporting and be more efficient and cost effective. The proposed consolidation is on an administrative level only and not on a substantive basis.

56. The Enterprises do not object to the proposed consolidation and the proposed consolidation will not result in any prejudice to the creditors of the Companies.
57. For the above reasons, the Proposal Trustee is supportive of the Companies' request for the administrative consolidation of the Companies' proposal proceedings.

IX. KERA

58. To ensure retention of key office personnel through the completion of the Liquidation Sale, and the Companies' proposal proceedings, the Companies, in consultation with the Proposal Trustee, are seeking the Court's approval of the KERA for those in management positions and certain staff at the Distribution Center (the "KERA Beneficiaries").
59. Given the condensed timetable to complete the Liquidation Sale, it is critical that the Companies retain the KERA Beneficiaries to assist with the orderly wind-down of the Companies' operations and liquidation of their inventory. The Companies believe that additional incentives will be required to ensure that the KERA Beneficiaries continue their employment during the Liquidation Sale and the proposal proceedings generally.
60. The KERA provides for retention payments to be paid to each of the KERA Beneficiaries at specific dates and milestones during the Companies' proposal proceedings (depending on the KERA Beneficiary's role and position). In order for the KERA Beneficiaries to receive retention payments pursuant to the KERA, the participating employees cannot have disclosed the terms of the KERA (subject to certain specific exceptions) and eligible participants must remain employed by the Companies on the date the KERA Payments are due to be paid, or such earlier date at the discretion of the Companies.
61. A copy of the KERA, including a schedule detailing the KERA Beneficiaries and their respective retention payments, is provided to the Court hereto as

Confidential Appendix 2. In view of the sensitive personal information contained in the KERA, the Proposal Trustee is of the view that the KERA should be filed with the Court on a confidential basis and sealed until further order of the Court.

62. The Proposal Trustee is of the view that the KERA appears appropriate and reasonable in the circumstances. Accordingly, the Proposal Trustee is supportive of the Companies' request for approval of the KERA.

63. In addition to the KERA, the Consultant will work with the Companies to provide for retention and incentive bonuses at the store level to ensure ongoing employment of employees to assist with the Liquidation Sale. The Proposal Trustee understands that the terms of the retention plan are currently being finalized, however it is estimated to total in aggregate \$80,000 to \$120,000 depending on the store closing sale outcome. Confidential Appendix 2 contains details on the proposed retention and incentive bonuses.

X. COURT ORDERED CHARGES

64. The Companies are seeking an order providing for the following Charges: Administration Charge, D&O Charge, and KERA Charge (each as hereinafter defined).

Administration Charge

65. The Companies are seeking an order (the "Administration Order") granting, among other things, a charge in the maximum amount of \$400,000 against the property of the Companies, to secure the fees and disbursements incurred in connection with professional services rendered to the Companies both before and after the commencement of the proposal proceedings by the following entities: the Proposal Trustee and its legal counsel, the Companies' legal counsel, the CRA, and the Consultant (the "Administration Charge"). The Administration Charge is proposed to rank first on the Companies' property.

66. The quantum of the Administration Charge sought by the Company was determined in consultation with the Proposal Trustee. The creation of the Administration Charge is typical in similar proceedings as is the proposed priority of the Administration Charge.

D&O Charge

67. The proposed Administration Order also provides for a charge in the maximum amount of \$500,000 against the assets of the Companies, to indemnify the officers and directors for liabilities incurred by the Companies that result in post-filing claims against the directors and officers in their personal capacities (the "D&O Charge"). The D&O Charge is proposed to rank second in priority against the Companies' property after the Administration Charge.

68. The Proposal Trustee understands that the Companies' directors and officers do not have a directors and officers liability insurance policy in effect (the "D&O Insurance"). As the Companies will require the participation and experience of the directors and officers to ensure that, among other things, the Liquidation Sale is carried out successfully and value is maximized for Companies' creditors, the Proposal Trustee is of the view that the D&O Charge (both the amount and the priority ranking) is required and reasonable in the circumstances.

69. The Companies worked with the Consultant to prepare the D&O Charge quantum, considering the potential director liabilities. The Proposal Trustee has reviewed the basis of the size estimate prepared by the Companies and Consultant and supports the quantum of the D&O Charge.

KERA Charge

70. In addition to the Administration Charge and the D&O Charge, the Administration Order also provides for a charge, in the maximum amount of \$100,000 (the "KERA Charge") against the property of the Companies to secure all amounts potentially payable under the KERA. The KERA Charge is proposed to rank third in priority against the Companies' property after the Administration and D&O Charge.

71. As noted in the McBride Affidavit, without the security provided by the KERA Charge, there is a real concern that the KERA Employees would resign prior to the completion of the Liquidation Sale and wind-down of the Companies' operations, to the detriment of the Companies' stakeholders.

72. In the circumstances, and given the short timeframe to complete the Liquidation Sale, the Proposal Trustee is of the view that the KERA Charge is appropriate and reasonable.

Summary and Proposed Ranking of the Court Ordered Charges

73. The priorities of the Charges sought by the Companies in the proposed Administration Order are as follows:

- a. First- the Administration Charge;
- b. Second- the D&O Charge; and
- c. Third- the KERA Charge

74. The Administration Order sought by the Companies provides that the Charges will rank in priority to the security interests of the Enterprises, and the Proposal Trustee understands the Enterprises have consented to the proposed ranking of the Charges.

75. As noted above, the Proposal Trustee believes that the Charges and rankings are required and reasonable in the circumstances and, as such, supports the granting and proposed ranking of the Charges.

XI. EXTENSION OF THE STAY PERIOD TO MAY 3, 2019

76. The initial 30-day stay period granted upon the filing of the NOI expires on April 3 2019. The Companies are seeking an extension of the Stay Period to May 3, 2019 (the "Stay Extension").

77. In support of the request for the Stay Extension, the Companies, with the assistance of the Proposal Trustee (and the Consultant), have prepared individual

forecasts of their receipts and disbursements for the period March 4, 2019 to May 3, 2019 (the "Cash Flow Forecasts"). A copy of the Cash Flow Forecasts is attached hereto as Appendix "C" and is summarized below.

78. The Cash Flow Forecasts indicate that the Companies will have sufficient liquidity to fund both operating costs and the costs of these proposal proceedings for the period of the Stay Extension, if granted.

79. The Proposal Trustee supports the Companies' request for the Stay Extension for the following reasons:

- More than thirty (30) days will be required to complete the Liquidation Sale. The Consulting Agreement contemplates the Liquidation Sale commencing between March 8, 2019 and concluding no later than June 30, 2019 (or such other dates agreed to by the Companies and the Consultant);

- b. The Stay Extension is necessary to provide the Companies sufficient time to advance the Liquidation Sale and complete the orderly wind-down of their operations;
- c. The Companies are acting in good faith and with due diligence in taking steps to monetize their assets for the benefit of their stakeholders; and
- d. It is the Proposal Trustee's view that the Stay Extension will not prejudice or adversely affect any group of creditors.

XII. CONCLUSION AND RECOMMENDATIONS

80. Based on the foregoing, the Proposal Trustee respectfully recommends that this Honourable Court issues the Liquidation Process Order and the Administration Order, as requested by the Companies:

- a. approving the appointment of the CRA and the CRA Engagement Letter;
- b. approving the Consulting Agreement and the Sale Guidelines;
- c. authorizing and directing the Companies, with the assistance of the Consultant and the CRA, to conduct the Liquidation Sale in accordance with the Sale Guidelines, and to take any and all actions as may be necessary or desirable to implement the Consulting Agreement and each of the transactions contemplated therein;
- d. authorizing the Companies to continue using their existing Cash Management System;
- e. approving the administrative consolidation of the Companies' proposal proceedings;
- f. approving the Charges;
- g. approving the KERA; and

h. approving the extension of the Stay Period to May 3, 2019.

All of which is respectfully submitted this 5th day of March 2019.

V. THE LIQUIDATION SALE

- 11. The Liquidation Sale commenced on March 9, 2019, and in accordance with the terms of the Consulting Agreement, will conclude no later than June 30, 2019.
- 12. In accordance with the terms of the Liquidation Process Order (and Sale Guidelines), any additional merchandise to be added to the goods located in the retail locations which are to be sold during the Liquidation Sale, was limited to goods which were located at the warehouse/distribution center located in London, Ontario (the "Distribution Center").
- 13. The Liquidation Sale has been progressing positively and the gross recoveries have exceeded the Companies' projections. As of the week ending April 12, 2019, the projected sales were \$1.2 million greater than projected from the cash flow included in the First Report.

Retail Leases

- 14. The Liquidation Sale is to be completed no later than June 30, 2019. Toward this end, and as also noted above, as at the date of this Second Report, the Companies

have issued notices of disclaimer in respect of 27 of the 29 retail store leases. The disclaimer notices have been issued and sent at varying times, with the first three disclaimers becoming effective on April 29, 2019.

FF&E

15. Pursuant to the Consulting Agreement, the Consultant is to assist the Companies in selling any owned FF&E at the retail locations for a fee of twenty percent (20%) of gross proceeds realized. As at the date of this Second Report, the Proposal Trustee understands that \$26,132 of FF&E has been sold.

VI. REAL PROPERTY MARKETING PROCESS

16. As outlined in the First Report, in December 2018 GESL entered into a Listing Agreement with CBRE Limited for the sale of the Distribution Center, which is owned by GESL, at a listing price of \$6.5 million. The Proposal Trustee understands that although there has been interest in the Distribution Centre, to date no offers or letters of intent have been received.

VII. EMPLOYEES

17. As of the Filing Date, GEEP employed 202 individuals across its retail store locations, 179 of which were on a part-time basis, and GESL employed 13 full-time head office and warehouse employees, all of which are non-unionized.
18. The Proposal Trustee was sent a copy of the Notice of Termination that was registered with the Ministry of Labour on March 28, 2019, notifying the Ministry that the Companies were terminating more than 50 employees in the same four-week period. The Proposal Trustee has been advised that employees have also received individual letters of termination.
19. The Proposal Trustee understands that approximately 35 employees have either resigned or been terminated, and that those employees have been paid, or will be paid, their wages and accrued vacation pay to the date the employment ended.

KERA and Stay Bonus and Incentive Program

20. As detailed in the First Report, given the planned short timeframe to complete the Liquidation Sale, the KERA was developed to ensure the retention of key office personnel and certain staff at the Distribution Centre through the completion of the Liquidation Sale and the NOI Proceedings (the “**KERA Beneficiaries**”). As outlined in the First Report, the KERA is secured over the Companies’ property through a charge in in the maximum aggregate amount of \$100,000.

21. The KERA provides for retention payments to be paid to each of the KERA Beneficiaries at specific dates during the NOI Proceedings. In order for the KERA Beneficiaries to receive payments under the KERA, among other things, the KERA Beneficiaries cannot have: (a) disclosed the term of the KERA (other than to legal, financial and tax advisors or as required by law); or (b) at any time on or before the date any portion of the funds contemplated under the KERA is paid (i) resign or (ii) be terminated for cause.

22. The Proposal Trustee understands that the Companies anticipate making KERA payments in accordance with the terms of each individual’s KERA, either on the date of the employee’s termination or at certain key milestones during the NOI Proceedings. The Proposal Trustee understands that no monies are yet payable under the KERA.

23. In addition to the KERA, the Proposal Trustee worked with the Companies, the CRA and the Consultant to create a stay bonus program for certain store employees, with an estimated value of between \$80,000-\$120,000 based on the performance of the Liquidation Sales at the store level (the “**Stay Bonus and Incentive Program**”). A copy of the Stay Bonus and Incentive Program was included as a confidential appendix to the First Report. The Proposal Trustee understands that, in light of the strong recoveries from the Liquidation Sale, nearly all store level employees who were eligible to participate in the Stay Bonus and Incentive Program will be eligible to receive payments thereunder.

VIII. CASH FLOWS FOR THE PERIOD FROM MARCH 4, 2019 TO APRIL 12, 2019

24. In support of the Companies' request for the initial extension of the Proposal Period to May 3, 2019, the Companies, with the assistance of the CRA and the Proposal Trustee, prepared individual forecasts of the Companies' receipts and disbursements for the period March 4, 2019 to May 3, 2019 (the "**Cash Flow Forecasts**"). A copy of the Cash Flow Forecasts was included as Appendix "C" to the First Report.

25. A comparison of the Cash Flow Forecast to the Companies' reported results for the period March 4, to April 12, 2019 is attached as **Appendix "B"** and is summarized below:

tax refund in the amount of \$617,170. The timing of receipt of this tax refund was assumed to be outside of the period encompassed in the Cash Flow Forecasts. As well, the receipts from the sale of the inventory at the Green Earth Stores, which was purchased and is owned by GESL, has been greater than anticipated.

27. As noted above, GEEP reported positive net cash flow of approximately \$1.1 million, which is approximately \$923,215 higher than anticipated. The variance was due to an increase in sales against the Cash Flow Forecasts.

VIII. EXTENDED CASH FLOW FORECAST AND EXTENSION OF THE PROPOSAL PERIOD TO JUNE 17, 2019

28. The Companies are seeking the extension of the Proposal Period to June 17, 2019 (the “Extension”).

29. In support of the Companies' request for the Extension, the Companies, with the assistance of the Proposal Trustee and the CRA, prepared the Extended Cash Flow Forecast which is detailed below and attached as **Appendix "C"**.

30. The Extended Cash Flow Forecast indicates that the Companies will have sufficient liquidity to fund both operating costs, and the costs of these NOI Proceedings for the period of the Extension, if granted.

31. The Proposal Trustee is of the view that the proposed Extension is appropriate in the circumstances and supports the Companies' request for the Extension for the following reasons:

- (i) it will allow for the completion of the Liquidation Sale, which as noted in this Second Report, is anticipated to be completed no later than June 30, 2019;
- (ii) the Extension will enable the Companies to consider next steps in the NOI Proceedings, with the benefit of the results from the completed Liquidation Sales;
- (iii) it will allow the Companies to continue marketing the Distribution Center, and will allow for final payroll to be paid, which will include most KERA and Stay Bonus and Incentive Program amounts to employees;
- (iv) the Companies are acting in good faith and with due diligence in taking steps to monetize their assets for the benefit of their stakeholders; and
- (v) it is the Proposal Trustee's view that the Extension will not prejudice or adversely affect any group of creditors.

32. While it is too early to determine whether a viable proposal will be presented by the Companies to their creditors, in the Proposal Trustee's view, the Companies request for the Extension is reasonable in the circumstances.

IX. CONCLUSION AND RECOMMENDATION

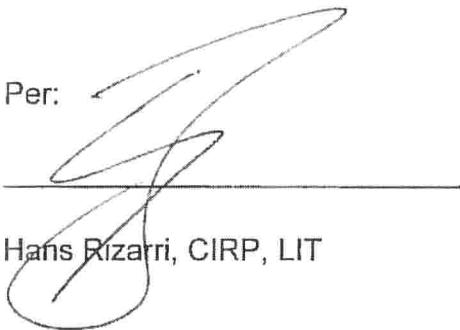

33. Based on all the foregoing, the Proposal Trustee respectfully recommends that this Court issue an order, as requested by the Companies, granting the Extension and approving the First and Second Report, as well as the activities, actions and conduct of the Proposal Trustee set out therein

Notes:

1. The projection assumed the store closing sales commenced on March 8, 2019; the closing sale actually commenced on March 9, 2019. Fixture sales and gift card redemptions were not projected in the first projection prepared by the company in connection with the NOI filing; the cash flow projection update submitted to court for the April 29, 2019 hearing reflected a projection for fixture sales and gift card redemptions consistent with recent results.
2. Cumulative variance represents a timing difference. HST to be remitted on May 31 end for April sales and on June 30 for May sales.
3. Variance is a result of increased sales vs. budget.
4. Timing difference. Professional costs for Stikemans, Miller Thompson and Crowe Soberman for the period up to approximately March 31 were paid in the week ended May 10, 2019.
5. Budgeted closing cash balance is per the cash flow filed with the court in April, 2019.

AFFIDAVIT OF ELIZABETH PILLON
(SWORN JUNE 10, 2019)

I, Elizabeth Pillon, of the City of Oakville, in the Province of Ontario, MAKE OATH AND SAY:

1. I am a partner with the law firm of Stikeman Elliott LLP ("Stikeman Elliott"), lawyers for Crowe Soberman Inc. ("Crowe") in its capacity as the Proposal Trustee in the above-noted proceedings and, as such, I have knowledge of the matters to which I hereinafter depose.
2. This affidavit is sworn in support of a motion for, *inter alia*, the approval of the fees and disbursements of Stikeman Elliott for the period from January 31, 2019 to June 7, 2019, inclusive.
3. During the period from January 31, 2019 to June 7, 2019, inclusive, Stikeman Elliott docketed 160.34 hours, amounting to legal fees invoiced in the amount of \$97,039 and disbursements and other charges in the amount of \$1,096.03 plus Harmonized Sales Tax ("HST") of \$12,724.71, for a total of \$101,859.74.
4. Attached hereto and marked collectively as Exhibit "A" are copies of the accounts rendered by Stikeman Elliott to Crowe, in its capacity as Proposal Trustee, from January 31, 2019 to June 7, 2019.
5. Attached hereto as Exhibit "B" is a schedule summarizing each invoice included in Exhibit "A", including the fees, expenses, HST and total fees charged in each invoice.

6. Attached hereto as **Exhibit "C"** is a schedule summarizing the billing rates and total amounts billed with respect to each member of Stikeman Elliott who rendered services to Crowe, in its capacity as Proposal Trustee.

7. Additional professional time will be required following June 7, 2019 as part of the winding up these proceedings and further time is expected to be required. Stikeman Elliott estimates the fees for this additional professional time will be no more than \$10,000 exclusive of HST and disbursements.

8. The hourly billing rate applied in the invoices of Stikeman Elliott were no more than Stikeman Elliott's normal hourly rates which were in effect from January 31, 2019 to June 7, 2019 and are comparable to the hourly rates charged by Stikeman Elliott for services rendered in relation to similar proceedings.

9. To the best of my knowledge, the rates charged by Stikeman Elliott are comparable to the rates charged by other firms in the Toronto market for the provision of similar restructuring services.

10. This affidavit is sworn in support of a motion for, *inter alia*, the approval of the fees and disbursements of Stikeman Elliott and for no improper purpose.
