February 3, 2020

Counsel for Trade Secret Web Printing Inc. brings this motion to extend the stay for an additional 45 days. It was anticipated that this stay would be extended as the bid <sup>deadline</sup> date is not until February ~~10~~ <sup>7<sup>th</sup></sup>, 2020 and the stay expires before then. I am satisfied that the <sup>extension</sup> stay is appropriate under these circumstances and that the sales process is proceeding in the normal course. The company is continuing to work with the Trustee and it is not expected that it will require additional financing during the extended period. The stay is hereby extended to March 20, 2020.

Mr. Statten, on behalf of Axiom Leasing Inc., seeks to have Axiom Leasing Inc. added to the service list, which has been agreed to and will be done forthwith. It has, on consent of the Company and the Trustee, been added to the "lessors" referred to in paragraph 19 of Justice Harvey's order of December 16, 2019.

Mr. Statten also raises a concern about the possibility of some equipment leased to the Company having been sold without notice to Axiom and it is seeking further information about this possible sale and the whereabouts of the proceeds. The parties will discuss this matter with a view to providing the information to Axiom Leasing Inc. without the need for it to bring a motion.

All ~~parties~~ persons on the service list have been served and none has responded to the motion.

Order (re Stay Extension) to issue in the form of the draft signed by me today.

Justin J.
