Professional Summary

- Adam is an Audit & Advisory Partner at Crowe Soberman. He provides advisory services to his clients through tax and financial planning, and assurance services by overseeing audit and review engagements.

Experience

- Adam is a trusted advisor, dedicated to empowering his clients to navigate the complexities of their business by offering practical advisory and tax solutions. He oversees assurance engagements, financial statement compilations and corporate and personal tax preparations. His strong tax background lends to assessing problems from an operational perspective with an understanding of the ensuing tax obligations that might arise.
- He possesses extensive experience, particularly in owner-managed businesses within real estate, construction, professional services, and retail industries. Adam collaborates with his clients and their advisors to ensure all parties are up to date with evolving legislation to ensure sustained business success.
- In addition to client-focused initiatives, Adam is strongly dedicated to mentoring staff across different levels by offering invaluable on-the-job-training and guidance and assisting with and overseeing their work.
