Professional Summary

- Adam is a Partner in the Audit & Advisory group at Crowe Soberman and has been with the firm since 2012. Adam primarily oversees audit, review, and compilation engagements along with personal and corporate tax compliance. He has a passion for training and mentoring fellow employees and administers training sessions on various topics including accounting for portfolio investments.

Experience

- Adam thrives on the rewarding feeling of providing business owners and managers with advice that positively influences the growth of their businesses. He is known as a reliable, trust-worthy advisor and problem solver.
- Adam has extensive experience with various types of businesses and industries, including commercial and residential real estate, not-for-profit organizations, software companies, and investment holding companies. He is accountable, organized and always looks to exceed client expectations. Adam strives for positive results and is motivated by the opportunity to solve challenging tasks.
