Professional Summary

- Adrienne Markell is a Partner in the Valuations | Forensics | Litigation (VFL) team at Crowe Soberman. Adrienne joined the firm in 2015 and has experience in business valuations, shareholder disputes, economic loss quantification, and financial reporting.

Experience

- In her current role, Adrienne specializes in the preparation of expert reports for the quantification of personal and commercial loss claims as well as litigation support.
- She conducts business valuations for a wide array of engagements, examples of which include transactions, restructuring/tax planning, financial reporting, family law, and oppression remedies.
- Adrienne also has practical experience in resolving disputes involving the value of business interests, tracing of assets and propriety of transactions, as well as dependency and support claims.
- Outside of the office, Adrienne teaches an Advanced Loss Quantification course (specifically related to intellectual property damages) for the Master of Forensic Accounting Program at the University of Toronto.

Professional Affiliations

- Canadian Institute of Chartered Business Valuators (CBV Institute)
- Chartered Professional Accountants of Canada (CPA Canada)
- Chartered Professional Accountants of Ontario (CPA Ontario)
- American Society of Appraisers (ASA)

Education

- Bachelor of Management and Organizational Studies with a Specialization in Finance and Administration (BMOS), University of Western Ontario
- Diploma in Accounting, Western Continuing Studies
