## Professional Summary

- Chandor Gauthier has a reputation for warmth and good humour with a proven track record advising clients on strategic decisions, how to develop and grow their business, and how to maximize their family wealth. Chandor holds an extraordinary blend of strong technical expertise with a flair for collaborating with a wide range of clients and their team of external advisors.

## Experience

- As a partner and member of the firm's Management Committee, Chandor is responsible for a diverse client portfolio, specializing in owner-managed companies, real estate entities (including structuring, construction, and sale), not-for-profit organizations and manufacturers. She also serves clients in sectors including investment, health care, professional services and related entities.
- Chandor is knowledgeable in the areas of IFRS and ASPE and has worked with companies who report to the Mutual Fund Dealers Associations (MFDA) and the Ontario Securities Commission (OSC).
- Her engagements vary from audits, to reviews and compilations. When dealing with clients, Chandor focuses on the big picture. Consequently, she often provides tax planning and manages the corporate and personal tax returns for clients.
