Professional Summary

- Chloe is a Senior Manager in Crowe Soberman's Audit and Advisory Team. She had 3 years of experience at a small boutique public accounting firm prior to joining as a senior accountant at Crowe Soberman. She has previous experience in audit and advisory providing consulting services to various types of private corporations.
- After joining Crowe Soberman, Chloe spent three months abroad on a secondment program with Crowe Global in Australia as a senior auditor.

Experience

- As a Senior Manager, Chloe is responsible for mentoring staff and providing guidance to support engagements and coaching staff to achieve excellence. She also manages and reviews audit and compilation engagements and various tax filing engagements.
- She specializes in providing tailored audit and advisory services to clients of different industries whilst building strong relations with clients from start-ups and growing private entities to publicly listed corporations.
- As a passionate and hard-working individual, Chloe enjoys helping clients succeed and seeing them grow. She is always looking for ways to add value to the business.
- Chloe is experienced in working with clients who are reporting in ASPE, ASNPO (Not-for-profit) and IFRS, for various industries such as retail, entertainment, mortgage investment management, real estate, manufacturing, professional services and charities.
- There are several published articles that Chloe has written for Crowe Soberman. These articles are called "Charitable Donations: Personally or Through a Corporation?" and "Cloud Based Accounting – What is it?".
