Professional Summary

- Dylan is a Manager in Crowe Soberman's Audit & Advisory group. He joined the firm in 2019 and provides advisory services to clients.

Experience

- Dylan has substantial experience working on assurance engagements and leading several large audit and review engagements. He also provides accounting and tax services, including business combinations and stock-based compensation, that, while complex in nature, he completes with accuracy and efficiency.
- His areas of practice focus on a wide variety of industries, including multi-national corporations, manufacturing, investment companies, and real estate and rental companies.
- Building positive relationships with his clients, Dylan takes the time to understand their business and individual needs. He works to ensure that any challenges they encounter are resolved in a timely and effective manner.

Professional Affiliations

- Chartered Professional Accountants of Canada (CPA Canada)
- Chartered Professional Accountants of Ontario (CPA Ontario)

Education

- Bachelor of Management and Organizational Studies (BMOS) – Honours Specialization in Accounting, Western University
