Professional Summary

- Henry Chiu is a Senior Manager in the Audit & Advisory group at Crowe Soberman. Prior to joining the firm in 2018, he worked for a small public accounting firm primarily providing accounting services to owner-managed businesses and high-net worth individuals.

Experience

- Having over five years of public accounting experience, Henry has honed his technical skills and is able to apply his vast knowledge of business management, financial reporting, assurance, and tax standards for his clients operating in a multitude of industries.
- In his current role, he is involved with overseeing audit, review, and compilation engagements. In addition to providing corporate and personal tax planning and compliance, Henry provides a wide array of services.
- Through his relentless work ethic, Henry puts forth his best efforts to ensure he builds and maintains positive relationships with both staff and clients. He collaborates with them to learn of their objectives and develop plans to aid them in achieving their goals.
