Professional Summary

- Kevin is a Senior Manager in the Tax Group at Crowe Soberman. He obtained his CPA designation in 2020 and has gained valuable expertise as a general tax practitioner since 2018.

Experience

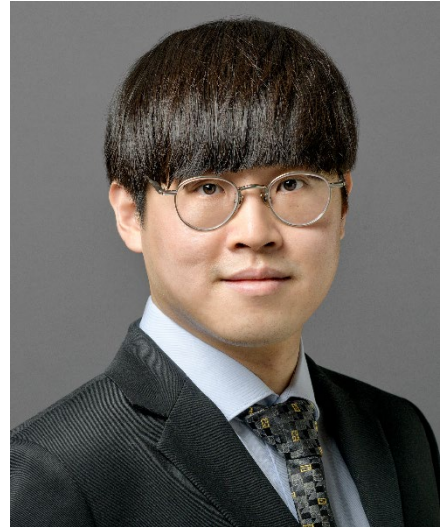

- Kevin has extensive experience in domestic personal and corporate income tax compliance, Canadian expansion for international corporate groups, and cross-border taxation for individuals. He provides consulting on outbound taxation issues for individuals and corporations with foreign investments.
- Kevin takes pride in applying his technical knowledge and tax research skills to look for practical tax solutions for clients. He is passionate about keeping up to date with the latest tax updates and actively looks for new ways to help clients through improved tax compliance and identifying tax planning opportunities. Kevin regularly publishes articles for Crowe Soberman with information on the latest tax changes, including government benefit programs and changes to tax compliance measures.
- Kevin's clients include high net worth individuals, non-resident individuals, investment corporations, privately-held businesses, and international corporate groups. He has worked with clients in a number of industries, including real estate, manufacturing, construction and software.
