Professional Summary

- Laura Hamilton is a Manager in the Valuations | Forensics | Litigation group at Crowe Soberman. She specializes in business valuations, economic damage quantification, and forensic accounting for a broad range of legal and tax-related matters. Her background includes audit experience at a national accounting firm and international exposure as a fund accountant for private equity clients in Edinburgh, Scotland.

**Experience**

- Since joining the firm, Laura has prepared various valuation reports and schedules for income tax purposes, litigation support and matrimonial matters. She has also been involved in the quantification of economic damages, business interruptions and forensic accounting for clients in a wide range of industries.
- Laura brings a thoughtful and collaborative approach to her work. She is committed to supporting professionals across the legal and financial communities, continuously expanding her technical expertise and learning from her peers. Laura also prioritizes building strong client relationships to ensure their needs are met and exceptional service is consistently delivered.
