### Professional Summary

- Patrick Truckle is a Partner in Crowe Soberman's Audit & Advisory Group. He has over 12 years of experience in public accounting and is involved in all aspects of his client's finances, including financial statements under ASPE and IFRS, corporate and personal tax planning, budgeting and cash flow management. His career has been dedicated to working with entrepreneurs and ensuring his clients' corporate and personal financial goals are met.

### Experience

- Patrick regularly oversees audit, review, and compilation engagements for entrepreneurial clients in the real estate and construction, manufacturing and distribution, financial services and technology industries.
- Patrick has significant experience working with global audit teams and auditing and assisting clients with managing and implementing new or changing accounting standards.
- Patrick is a trusted business advisor to his clients, who appreciate his dedication to their business and his ability to resolve problems, work collaboratively and assist in their capability to make informed business decisions.
- Outside of the office, Patrick enjoys playing hockey, golf, walks with his wife and bulldog and travelling the world, visiting restaurants and record stores.
- As a Partner, Patrick is inspired by the opportunity to work with new staff as they start and advance in their careers.
