### Professional Summary

- Vivian is currently the Manager of Accounting Services, Audit & Advisory at Crowe Soberman. She joined the firm as a Technician and Staff Accountant in June 2008. Vivian has worked in bookkeeping and accounting since 1987. She has worked in many areas, including residential and commercial properties management, land development syndication at Chasson and Greenglass, and various business corporation accounting services at Krandel & Company with Jeffrey Steinberg and Jordan Caplan before joining Crowe Soberman.

### Experience

- Vivian is the key co-founder and current treasurer of Canadian Maitreya Great Tao. She uses the teaching of Maitreya Buddha philosophy: the practice of universal love, living with good fortune, joyfulness, and cheerfulness in every moment of our lives. Everybody, we're a family. We are a family of great Universal Harmony. She always gets along with her co-workers and incorporates positive thinking and energy in the work that she does.
- Vivian is knowledgeable about written-up marketable securities investment, calculating the realized capital gain and loss, and various investment income reconciliations. She learned most of the accounting technicalities from Jeffrey Steinberg and Jordan Caplan. She is very appreciative of their encouragement and support.
