# Crowe RSA offers you a reliable support to optimize your tax management

Our daily mission is to reduce the tax burden of companies while ensuring they are compliant with current tax regulations.

## WHY CHOOSE US?

### A DEDICATED TEAM OF EXPERTS

Our team includes lawyers and legal experts specialising in tax law, with in-depth expertise and in-depth knowledge of tax regulations. Used to complex tax schemes, our experts work in complete confidentiality, as part of a relationship of trust, to help you secure and optimize your tax position.

Their strong cooperation with the firm's other departments (accounting, payroll and legal) enable them to offer a complete high-quality service, always guided by an operational approach.

From a simple confirmation of the applicable rules to an in-depth analysis, our experts will put their legal and tax expertise at your service. Listening, availability and responsiveness are at the heart of their concerns.

Thanks to their constant tax and legal watch, they can ensure that your company complies with current regulations and help you anticipate any necessary changes.

### PERSONALIZED TAX ADVICE ADJUSTED TO YOUR NEEDS

We think that every business is unique, which is why we adjust our services to your specific needs, taking into account your size, business sector and financial objectives.

Our services include

- Assisting you with the development and the day-to-day management of your tax policy
- Helping you adopt the appropriate strategies
- Helping you identify possible opportunities and optimisations
- Carrying out in-depth audits and tax diagnoses to conduct appropriate adjustments
