### Experience

- Cyrus has considerable experience in providing audit services to financial industry clients including listed banks, listed securities brokerage firms, asset management companies, investment agencies, private equity funds and other financial institutions in Hong Kong, China and overseas. He acts as the manager-in-charge in various IPO projects of Hong Kong and China financial institutions. Cyrus has comprehensive knowledge on the regulatory reporting requirements and related compliance matters of the Hong Kong Monetary Authority and Securities and Futures Commission of Hong Kong. Cyrus is also responsible for providing compliance and regulatory advice.
- Cyrus has specialized in serving financial services clients since joining the Audit function of Deloitte Touche Tohmatsu in 2007. His initial specialization was serving banking and securities audit clients including the Agricultural Bank of China (Hong Kong Branches), Mitsubishi UFJ Financial Group Inc., SBI Holdings Inc., etc. Further, Cyrus developed his career when joining the due diligence function of one of the top P2P lending platform in Beijing in 2013. He was the General Manager who was in-charge of setting up the whole due diligence procedures and managed the related daily operations.
- Cyrus re-joined the financial services audit industry afterward and he led successful mega scale IPO of companies seeking to list on HKEx, including Bank of Gansu Co., Ltd, Jilin Jiutai Rural Commercial Bank Co., Ltd, China Merchants Securities Co., Ltd., and Wing Chi Holdings Limited. Other key clients included Huarong Investment Stock Corporation Limited, Zhongtai Financial International Limited and Value Convergence Holdings Limited.
