Experience

- C S has over 20 years of experience in the audit practice and commercial accounting field with extensive experience in the audit of large entities including publicly listed companies in Hong Kong. He has performed services including due diligence and IPO for clients throughout China as well as in the US, Brazil, Thailand, Singapore, Malaysia and Russia.
- C S has provided financial due diligence services for clients on acquisition of companies in mainland China and Hong Kong including work on multi-country acquisition. He has performed services for assisting companies to list publicly on the Hong Kong Stock Exchange by way of initial public offering and reverse takeover.
- C S has performed debt restructuring services on various companies including a publicly listed company for creditor banks (HSBC, Standard Chartered, DBS, Dah Sing Bank and Bank of China) in Hong Kong. He has been responsible for preparation of debt restructuring and progress monitoring reports. Furthermore, C S was previously a deputy financial controller for a manufacturing group headquartered in Hong Kong with production facilities in various provinces in mainland China with over 10,000 staff.
