Experience

- Warren started his professional career at the Big 4 international accounting firms. He joined CCIF CPA Limited in 2003 where he focuses on audit and business advisory services. Following the merger of the firm in 2010, he became our Director.
- Warren has over 20 years' experience in auditing Hong Kong, USA and Australian public listed and unlisted companies. He has also led various IPO and M&A engagements in Hong Kong and overseas markets. Warren acted as independent financial advisor for creditor banks to conduct independent business / financial reviews on affairs and viability of various listed and unlisted companies in financial distress. He also worked on numerous asset recovery for creditor banks. During the years 2000-2003, he participated heavily in the receivership administration, including but not limited to a dyeing factory located at the Mainland China and two separate shopping malls with an aggregate over 300 shops, a Japanese restaurant, a grade-A commercial building in Central, and a residential/retail complex under construction, all in Hong Kong.
