About Us

Ranked the eighth largest accounting network in the world, Crowe Global has over 200 independent accounting and advisory firms in more than 130 countries.

Each firm is well established as a leader in its national business community and is staffed by nationals, thereby providing a knowledge of local laws and customs which is important to clients undertaking new ventures or expanding into other countries.

“Crowe Global is a network that distinguishes itself in the market by bringing smart decisions that deliver lasting value to clients, talent, and the communities where we live and work”.

David Mellor, Chief Executive Officer, Crowe Global
