

Lee Kok Wai

Partner

Kok Wai currently heads the Audit and Assurance department as a Partner. He is directly responsible for the audits of the firm's major clients, which include public-listed companies, multinationals and large SMEs.

Kok Wai started his accountancy career with an international accounting firm in 1988 as an articled student undertaking the Malaysian Institute of Certified Public Accountants examinations. Kok Wai rose through the ranks until his last position as an Audit Principal before leaving in 2004 to join Crowe Malaysia.

Kok Wai has conducted public speaking assignments on Financial Reporting Standards and participated in the review of financial statements issued by companies listed on Bursa Malaysia, organized by the MIA to assess financial statements compliance with Financial Reporting Standards. In addition, he also leads initial public offering engagements for the flotation of companies on the Main and ACE Market of Bursa Malaysia.
