

Keeping One Step Ahead of Your Risks

Equip your business with risk mitigation know-how

Risk management is an essential part of business success.

Are you meeting today's elevated standards for mitigating risk?

Businesses are presented with a challenging array of risks on multiple fronts: strategic, operations, compliance and reporting. Furthermore, today's stakeholders – including regulators, shareholders, customers and employees – have high standards to manage these risks and deliver value at the same time.

Each business move alters your risk profile, so you will need to promptly address the corporate governance concerns for optimum risk mitigation. By being proactive, this affords you and your employees the confidence and precious resources to focus on achieving your organisation's key business objectives.

Crowe Risk Advisory Services

The Risk Advisory unit at Crowe offers a complete range of Risk Advisory Services. Our team of highly competent risk specialists have the expertise to advise you on risk matters such as internal audits, fraud and ethics, security and privacy, and regulatory compliance. You will also be updated on emerging trends, industry benchmarks and best practices, and the innovative approaches you can adopt for your business.

Let us be there to provide the highest level of support in managing your business risks and enhancing the internal environment of your business. Our specialist team works in tandem with you to develop a long-term and productive working relationship that is built on mutual trust and respect.

Solutions designed to manage your full range of risks

Our approach begins by seeking to thoroughly understand your critical business issues. Our people have access to methodologies and best practices, and we know that the right solution is individually crafted because each business is unique.

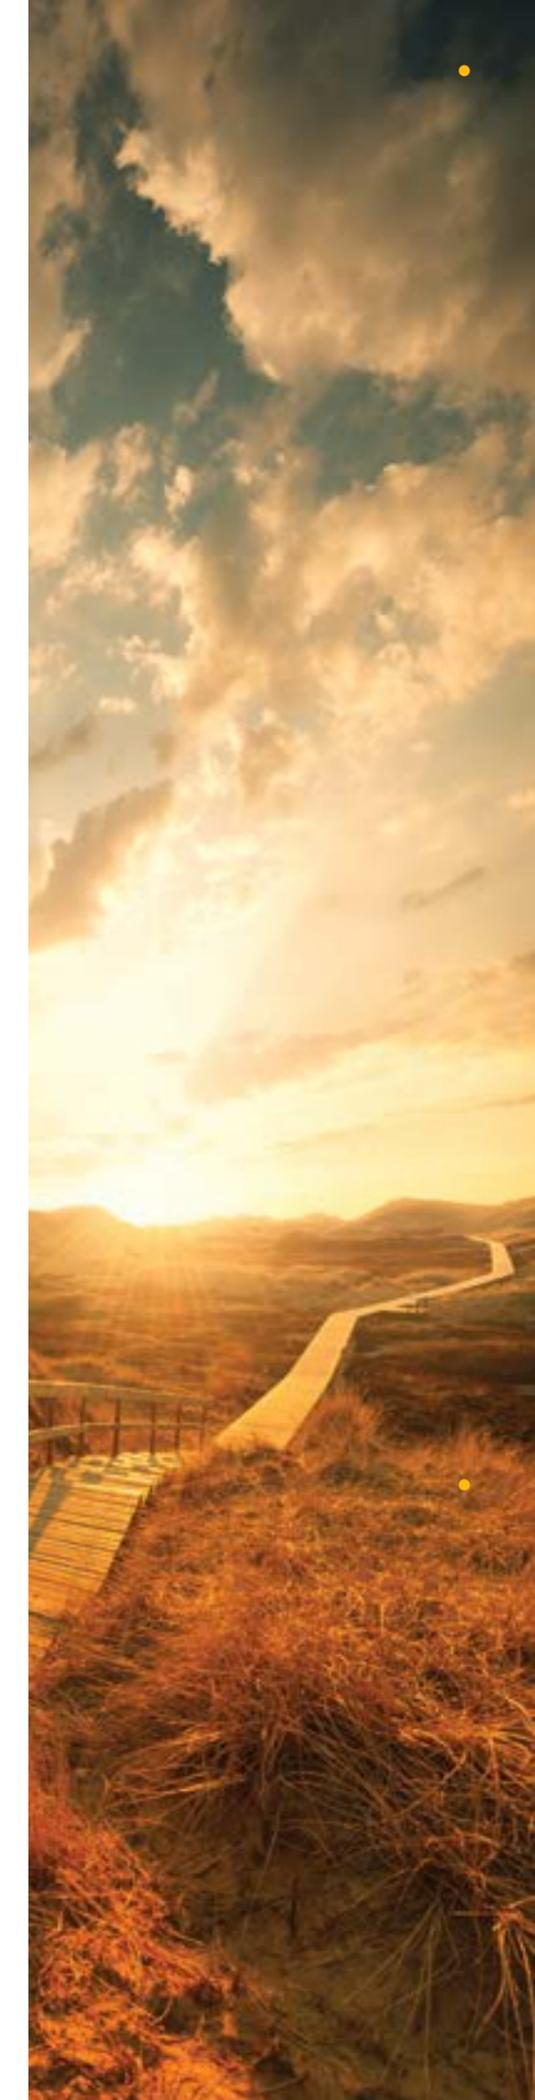

We bring together the risk consultants you need, and collaboratively, devise a strategic risk management plan for your organisation.

Leading The Way

Equipped with in-depth knowledge of internal controls, risk management, Bursa Malaysia Listing Requirements on Corporate Governance and the Malaysian Code on Corporate Governance, we are able to guide and advise the decision makers of various organisations. In addition, our network of member firms in 752 offices across the globe and our strategic competencies place us in the position to provide an all-rounded approach for your organisation's risk advisory needs.

We collaborate with you to supplement your internal efforts to increase risk protection and accountability in multiple areas, including:

- Internal Audits (Out-sourcing & Co-sourcing)
- IT General Controls Audits
- Compliance & Regulatory Audits
- Corporate Governance Reviews
- Pre-IPO Internal Controls Due Diligence
- Enterprise Risk Management
- Sarbanes-Oxley Compliance
