

Corporate Tax Advisory

End To End Solutions For All Your
Corporate Tax Needs

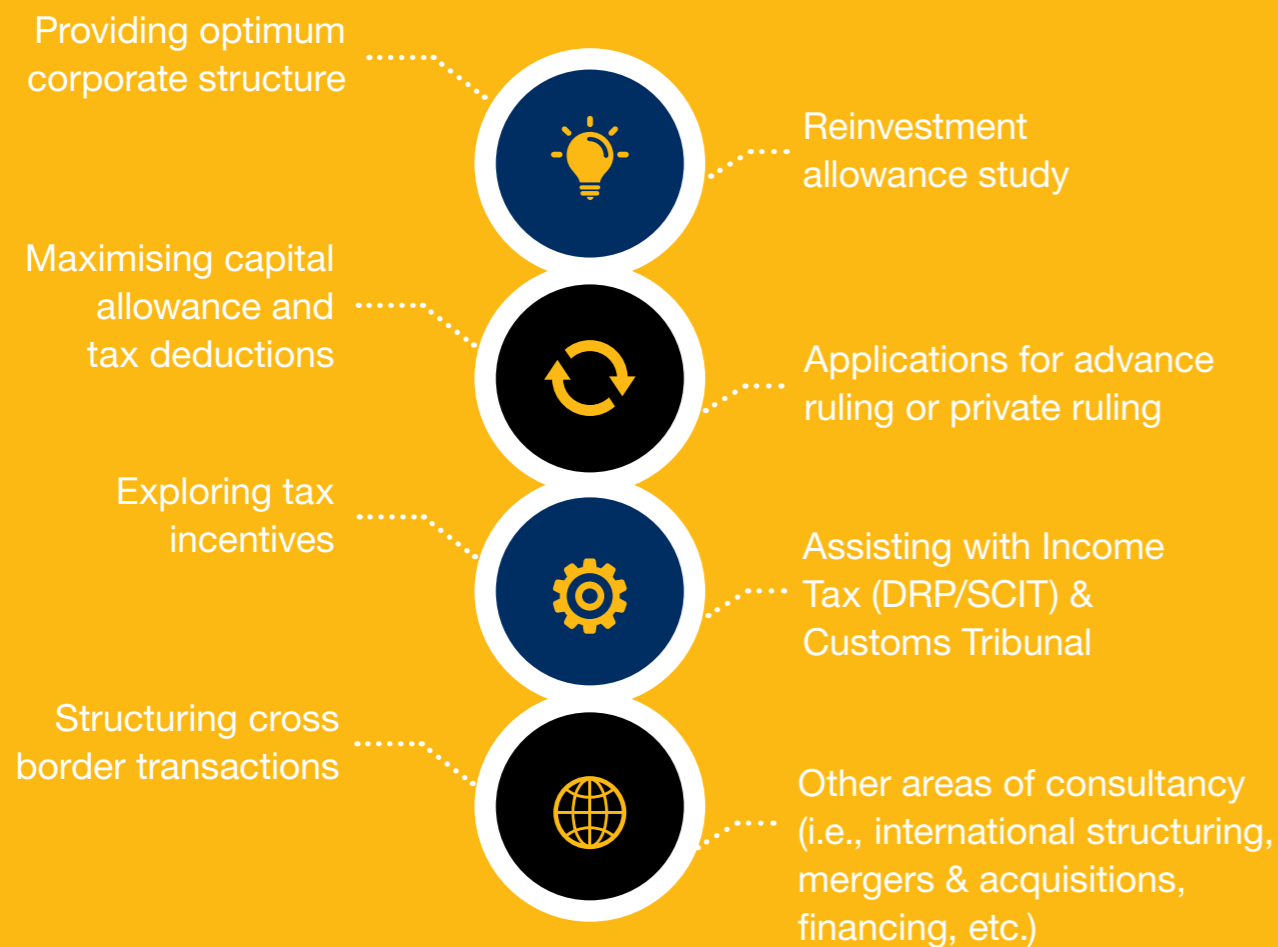

Audit / Tax / Advisory

Smart decisions. Lasting value.

Bringing You Specialised Tax Solutions

In order to stay competitive and grow in today's market, business leaders need to make fast, creative, smart and forward-thinking decisions. The key determinant to success is the ability to accurately assess every business opportunity, make informed decisions particularly in leveraging on the volatile tax environment as well as understanding potential tax implications.

Crowe professionals are committed to understanding and exceeding your specific organisational requirements. We offer you holistic solutions that focus on mitigating tax risks and reducing tax costs without colliding with the anti-avoidance provisions and the growing complexity of transfer pricing, sales and service tax, and more.

Leading The Way

Equipped with an in-depth working knowledge of the Malaysian taxation system and tax laws and an experienced team of tax professionals, we are here to guide you each step of the way. In addition, our network of member firms in 130 countries across the globe and strategic competencies place us in the position to provide an all-rounded approach for your organisation's corporate tax advisory and compliance needs. Clients come to us because of our reputation; they stay because of the experience.

1. Preliminary Assessment

We assist companies to identify the best possible solutions that minimise their tax risks and ensure tax compliance for each business decision made by:

- Providing optimum corporate structuring after considering the potential tax impact of income tax, RPGT, stamp duty, etc.
- Structuring cross border transactions from various tax perspectives – withholding taxes, permanent establishment, etc.
- Exploring and assisting with the application of the relevant tax incentives
- Assisting with the application for advance/private ruling that meets your business needs
- Optimising capital allowance, industrial building allowance and reinvestment allowance claims
- Maximising tax deductions
- Other areas of consultancy (i.e., international structuring, mergers and acquisitions, financing, business restructuring, etc.)

2. Implementation

We facilitate companies to implement the relevant tax planning strategies that improve overall tax efficiency of the companies by:

- Understanding the existing business arrangements
- Identifying the challenges faced by your business
- Identifying current tax laws / legislations
- Complying with the relevant statutory provisions
- Bringing in other experts to ensure the feasibility of the strategies
- Providing holistic tax solutions

3. Post Implementation

We provide support to companies to resolve tax disputes with the tax authorities by:

- Attending to tax disputes with you up to the Dispute Resolutions Panel or Special Commissioners of Income Tax
