# Message from the Managing Partner

---

“

Since our establishment in 1947, we have adhered to our basic philosophy of servicing the needs of our clients with the utmost professionalism, mutual trust, and integrity. Through our collaboration with Crowe Global, we have raised the quality bar further and achieved excellence in client servicing.

I am continually impressed by the resourcefulness and entrepreneurial quality displayed by our team and the exceptional value they bring to the company.

I would also like to add that being one of the oldest audit firms, our key focus area is the training and development of our trainee students and I can proudly say that we are offering continuous development programs for their professional growth.

”

Regards,

## HCC Technology Foundation

Our technology arm has taken an initiative to offer need-based scholarships to female students who want to make career progression in the fields of Computer Studies and Technology.

Founded in 2021, the Foundation strives for female contribution in Pakistan in the field of Technology. It's time to give back to our community in the most meaningful way, imparting the knowledge and tricks of the trade that we have learned over the past years in the field of technology.

The aim is to create an ecosystem supporting Technology literacy focusing on female inclusion in this booming Technology sector of Pakistan.

The Foundation has also signed an MOU with Namal University, a leading center of academic excellence for rural development in Pakistan. Together we help bridge the gender gap in technology.
