

DOING BUSINESS IN SLOVENIA 2024

Audit / Tax / Advisory

Smart decisions. Lasting value.

Welcome

to Doing Business in Slovenia

Doing Business in Slovenia serves to provide general information for companies planning to do business in Slovenia and individuals intending to live and work in Slovenia temporarily or permanently.

This Guide includes relevant information about business operations and taxation matters.

It is intended to assist organizations that are considering establishing a business in Slovenia either through subsidiary or a branch office of an existing foreign company or a separate entity.

It also provides guidelines to anyone planning to come to Slovenia to work and live here either due to local employment or due to secondment mission from another country or generally as a permanent life choice.

Unless noted otherwise, the information contained in this Guide is believed to be accurate as of 1 January 2024. However, general publications of this nature cannot be used and are not intended to be used as a substitute for professional guidance specific to the reader's particular circumstances.

Smart decisions.

Lasting values.
